

Seeds, before orders for any of these are given. The mode of appropriation recommended by His Excellency, appears to be the best that can be devised to render these donations permanently and extensively useful. His Excellency's plan is, to sell the Animals and articles imported (by the funds provided for that purpose) and to reinvest the proceeds of the sale, in the purchase of other Animals, Implements and Seeds; always in case of their selling for less than cost and charges, to make up the deficiency out of the funds of the Society; and that each County may have its share of the benefits of the importation, that the Animals, Implements and Seeds shall be sold in turn in different parts of the Province. The original amount of the gifts, thus applied, and thus annually reproduced will, by continuing the operation in the manner recommended by His Excellency, be productive of immense benefit to the Country.

On motion of the Hon. Judge Chipman, Resolved unanimously, that the thanks of this meeting be presented to the Secretary for his very able and interesting Report, and that the same be published in the Newspapers throughout the Province.

The meeting then agreed to the 6th Rule of the Society, proceeded to the Election of Officers for the present year; and by the unanimous voice of the meeting the Hon. Judge Bliss was chosen President.

The Hon. Judge Botsford, Vice Presidents  
The Hon. Thomas Baillie.  
The Hon. S. D. Street, Treasurer  
The Hon. Judge Chipman, Peter Fraser, Jedediah Staddon, Harry Peters and F. P. Robinson, Esquires, Members of the Central Committee.

His Excellency Major Gen. Sir Howard Douglas, Patron of the Society, honored the meeting with his presence, and was pleased to express to the meeting in very forcible and feeling terms the gratification he experienced in perceiving the progress, and satisfactory state of this Society, and of the several County Associations throughout the Province.

As soon as His Excellency left the Room, it was, on motion of the Hon. Judge Chipman, Resolved unanimously, that the thanks of this Society be presented to His Excellency, for the zealous interest he constantly evinces in the prosperity of the Agricultural and Emigrant Societies which owe their origin to His Excellency, and which will, if maintained with spirit, have the most important influence in promoting the best interests of the Province.

The Meeting took into their consideration the proposals that had been made with regard to the Society's Horse Young Cannon Ball, and it was Resolved that the said Horse be sold by Public Auction at the Market House in Fredericton, on Wednesday the eighth day of March next at noon. The purchaser to enter into a Bond with two sufficient Sureties in the penal sum of £500 to the Secretary of the General Society, upon condition, that the Horse be kept for the purpose of covering within the Province for the term of five years; and the time and place, and the above conditions of sale be immediately advertised by the Secretary in the several Newspapers in the Province.

The undermentioned Gentlemen were appointed a Committee to examine the Accounts of the Society.
