FIRE AT NEWCASTLE, MICHIGAN. On Thursday morning, last, between the hours of one and two o'clock, the House, Shop, Stock and Tools belonging to Messrs. EVERITT, and STRICKLAND, Hat Manufacturers, were consumed. The loss is estimated not less than £400.

MR. LUGRIN, A subscriber requests that you will insert the following recipe in your Newspaper, it having been frequently tried in this Country, and produced the most beneficial results. An infallible cure for Rheumatism. Two pounds of Clarified Honey, boiled down to one pound. One drachm of Guaiacum powdered. Two ounces of Sulphur, in flour. Half an ounce of Ginger grated fine. One ounce of Cream of Tartar. A quarter of an ounce of Rhubarb powdered. One Nutmeg grated. Mix all these ingredients well together, and take two tea spoons full going into bed, and the same quantity every morning an hour before rising, in a small tumbler of warm water. The dose to be varied according to the constitution of the patient, and if found too purgative, to be omitted in the morning, as it produces a slight degree of perspiration. This may be depended on.
