## CHEMICAL EMBROCA-TION,

OR—WHITWELL'S ORIGINAL OPODELDOC.

Treble the strength of the hard kind.

BEWARE OF IMITATIONS.

THIS article is now, beyond all dispute, considered by every Physician of extensive practice in the United States as the best known external remedy in all cases of Bruises, Sprains, Gout, Rheumatism, Cramp, Numbness, Stiffness of the Neck or Limbs, Chilblains, Chapped Hands, Stings of Insects, Vegetable Poisons &c.

The use of this celebrated remedy is not confined to the American States. Orders for it are constantly received from South America, the West Indies, Nova Scotia, Lower Canada, and in one instance orders were received from England and Russia.—In a late letter, to the Proprietor from St. Salvador, the writer observes, "Your Opo-deldoc begins to be well known and fully appreciated," &c.

Certificates have been received, sufficient to fill a column of a paper. A few only of the first respectability are attached to the directions—among which is one from a Physician of the highest grade in Europe or America.

Pause before you Purchase.

No one circumstance can more fully prove the value and great demand for this Medicine, than the numerous servile and contemptible imitations in existence—some have so closely imitated the stamp and type of the outside wrapper, as to be difficult of detection, except only by the omission of the NAME. Therefore, as you value your Life or Limb, be sure to ask for and receive

Whitwell's Opo-deldoc

only, or you may be most wretchedly imposed upon.

At the same place may be had, the

Aromatic Snuff,

celebrated throughout the American Continent, in cases of Catarrh and Headache, Drowsiness, Depression of Spirits, Vapors, Dimness of Eye-sight, and all disorders of the head. From its most fragrant and grateful quality, it completely counteracts the effects of a bad atmosphere, and being greatly antiputrescent, is indispensable for all who watch with or visit the sick.

The Opo-deldoc,

is recommended by Dr. MITCHELL, of New-York, M. D. L. L. D. Professor of Botany and Materia Medica in their College of Physicians: The SNUFF, by Dr. WATERHOUSE, Professor of the Theory and practice of Physic in the University of Cambridge.

The above articles, warranted Genuine, will constantly be kept on hand by SAMUEL KENDALL, jun. who is appointed Agent for the Inventors.

Fredericton, 25th April, 1826.

THE Assessors of the Parish of Queensbury in the County of York, hereby notify those concerned in the undermentioned property that it has been assessed as follows:—property belonging to the Estate of the late Munson Jarvis, Esq. in the sum of 12s. 6d.—Do. belonging to the Estate of

the late Duncan M'Leod, Esq. 7s. 6d.—and the property of William Kinney, Esq. 8s. 8d.—and they are hereby required immediately to pay the respective amounts to one of the Collectors of said Parish, or leave the same at the Royal Gazette Office in Fredericton with the expense of advertising, otherwise they will adopt the means provided by the Legislature to collect the same.

Published by command of the Right Honourable the Governor General in Council. GEORGE SWINTON, Secy. to the Govt.

Mr. Edward Irving in a work which he has just published on the prophecy, says, the six vials mentioned in the Revelations are past; that the seventh vial, which is to run for forty-five years has begun and must terminate before 1847, when the millennium, is to commence. "The end of troubles, when the wrath of God is filled up; that is the end of the seventh vial, when, in the language of the seventh angel, 'it is done'—must be some time before the year 1847, and some considerable time before it, in order to leave space for the gathering home of the Jewish tribes, and their conversion and the establishment of the christian worship in the beloved city." The phrase "that the cities of the nations fell," he thinks, intimates, that the popacy, with the superstitions of Bramah, Boodh, Confucius, and Mahomet, are to receive a shock" under this vial, preparatory to their final dissolution.
