**A PROCLAMATION.**

WHEREAS the Right Honourable Earl Bathurst, one of His Majesty's principal Secretaries of State, has transmitted to me the following order of His Majesty in Council:—viz:

At the Court at Carlton House,  
23d March, 1825.

PRESENT,  
The King's most Excellent Majesty,  
IN COUNCIL.

WHEREAS it has been represented to His Majesty at this board, by the Lords Commissioners of His Majesty's Treasury, that they have given directions, that His Majesty's Troops, serving in the several British Colonies and Possessions abroad, should in certain cases be paid in

British Silver, and Copper Money, and that with a view of securing the circulation of such Money in those Colonies it would be expedient that an order in Council should be issued, declaring that in all those Colonies where the Spanish Dollar, is now either by Law, Fact, or Practice, considered as a legal tender for the discharge of Debts, or where the duties to the Government are raised or collected, or the Individuals have a right to pay in the description of Coin, that a tender and payment of British Silver Money, to the amount of Four Shillings and Four Pence, should be considered as equivalent to the tender or payment of one Spanish Dollar, and so in proportion for any greater or less amount of Debt.

And Whereas it has been further represented by the Lords Commissioners of His Majesty's Treasury, that with respect to the Cape of Good Hope, where there are not any Spanish Dollars in circulation, consists entirely of paper Rix Dollars and its proportions, and with respect to Ceylon, where the circulation consists of Silver and Paper Rix Dollars, as well as of a variety of other Coins, which are generally received and paid with relation to their value as compared with Rix Dollars, it would be expedient that a tender and payment of one Shilling and six pence in British Silver Money, should be considered as equivalent to a tender and payment of one such Rix Dollar, as current at the Cape of Good Hope, and Ceylon, respectively, and so in proportion, for any greater or less sum, and also, that British Copper Money, should be made a legal tender in all the British Colonies for its due and proper proportions of British Silver Money, as by Law established in Great Britain, but that no person shall be compelled to take more than 2d. in Copper Money, in any one payment. His Majesty having taken the said representation into consideration, is pleased, by and with the advice of His Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of His Majesty's Treasury, and the Right Honourable Earl Bathurst, one of His Majesty's Principal Secretaries of State, are to give the necessary directions, herein as to them may respectively appertain.

(Signed,) C. C. GREVILLE.

I do therefore hereby make known the same to all His Majesty's loving subjects in this Province, and all persons concerned, will take due notice, and govern themselves accordingly.

And I do also hereby further make known that the holders of British Silver Money, may demand from the Officers in charge of the Commissariat Department, Bills upon the Lords Commissioners of His Majesty's Treasury at thirty days sight, in Exchange for whatever sums may be tendered by them in British Silver, not less in amount than one hundred Pounds at the fixed rate of a Bill for one hundred Pounds, for every one hundred and three Pounds of British Silver Money, so tendered.

Given under my hand and Seal at Fredericton, the Twenty second day of October, in the year of our Lord, One Thousand Eight hundred and Twenty five, and in the Sixth year of His Majesty's reign.  
By His Excellency's Command,  
W. F. ODELL.
