#### A PROCLAMATION.

WHEREAS the Right Honourable Earl Bathurst, one of His Majesty's principal Secretaries of State, has transmitted to me the following order of His Majesty in Council:—viz:

At the Court at Carlton House,

23d March, 1825.

PRESENT,

The King's most Excellent Majesty,

IN COUNCIL.

WHEREAS it has been represented to His Majesty at this board, by the Lords Commissioners of His Majesty's Treasury, that they have given directions, that His Majesty's Troops, serving in the several British Colonies and Possessions abroad, should in certain cases be paid in British Silver, and Copper Money, and that with a view of securing the circulation of such Money, in those Colonies it would be expedient that an order in Council should be issued, declaring that in all those Colo-

nies where the Spanish Dollar, is now either by Law, Fact, or Prevalence, considered as a legal tender for the discharge of Debts, or where the duties to the Government are raised or collected, or the Individuals have a right to pay in the description of Coin, that a tender and payment of British Silver Money, to the amount of Four Shillings and Four Pence, should be considered as equivalent to the tender or payment of one Spanish Dollar, and so in proportion for any greater or less amount of Debt.

And Whereas it has been further represented by the Lords Commissioners of His Majesty's Treasury, that with respect to the Cape of Good Hope, where there are not any Spanish Dollars in circulation, consists entirely of paper Rix Dollars and its proportions, and with respect to Ceylon, where the circulation consists of Silver and Paper Rix Dollars, as well as of a variety of other Coins, which are generally received and paid with relation to their value as compared with Rix Dollars, it would be expedient that a tender and payment of one Shilling and six pence in British Silver Money, should be considered as equivalent as a tender and payment of one such Rix Dollar, so current at the Cape of Good Hope, and Ceylon, respectively, and so in proportion, for any greater or less sum, and also, that British Copper Money, should be made a legal tender in all the British Colonies for its due and proper proportions of British Silver Money, as by Law established in Great Britain, but that no person shall be compelled to take more than 12d. in Copper Money, in any one payment. His Majesty having taken the said representation into consideration, is pleased, by and with the advice of His Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of His Majesty's Treasury, and the Right Honourable Earl Bathurst, one of His Majesty's principal Secretaries of State, are to give the necessary directions, herein as to them may respectively appertain.

(Signed,) C. C. GREVILLE.

I do therefore hereby make known the same to all His Majesty's living subjects in this Province, and all persons concerned, will take due notice, and govern themselves accordingly.

And I do also hereby further make known that the holders of British Silver Money, may demand from the Officers in charge of the Commissariat Department, Bills upon the Lords Commissioners of His Majesty's Treasury at thirty days sight, in Exchange for whatever sums may be tendered by them in British Silver, not less in amount than one hundred Pounds at the fixed rate of a Bill for one hundred Pounds, for every one hundred and three Pounds of British Silver Money, so tendered.

Given under my hand and Seal at Fredericton, the Twenty second day of October, in the year of our Lord, One Thousand Eight hundred and Twenty five, and in the Sixth year of His Majesty's reign

By His Excellency's Command,

WM. F. ODELL.

#### DECREE OF DECLARATION OF WAR.

The Government of the United Provinces of Rio de la Plata having committed acts of hostility against this Empire without provocation, or previous formal declaration of war, rejecting thus the forms established among civilized nations; it is required by the dignity of the Brazilian People and the rank which belongs to us among Powers, that I, having heard my Council of State, should declare, as I now do, WAR against the said Provinces and their Government; directing that by sea and land, all possible hostilities be waged upon them; authorizing such armaments as my subjects may please to use against that nation; declaring captures or prizes of whatever nature, shall accrue entirely to the captors, without any deduction in favor of the public treasury. [Follows the regulation for the publication and distribution of the Decree.]

Rio de Janeiro, 10th December, 1825; fourth year of the Independence of the Empire.

Extract of a letter to Mr. Sanderson, of the Merchants' Coffee House, Philadelphia.

In the enclosed papers dated the 7th December last, you will find that the Emperor of the Brazil has declared war against the U. Provinces of Rio de la Plata. Great Preparations were making when I left Rio; to carry on the war with vigour; fitting out all their men of war, and enlarging their army; there was a general press for the land and sea service; several transports with troops had sailed for Montevideo; and there was a strong naval force off Buenos Ayres, blockading that port. There are now several Buenos Ayres privateers, and it is said some pirates, on the coast of the Brazil. One of them was off Cape Frio, and had made several captures. In a short time we may expect any number of privateers, some with commissions on both sides, and our trade to that coast will be very hazardous unless our Government see the propriety of sending out a respectable Naval force to protect our merchant vessels against the lawless privateers that will be swarming in those seas.

Markets at Rio were very dull for American produce. Sugar, coffee, and hides were scarce and high.

The Emperors of the Brazil had lately presented a Son and Heir to his Imperial Majesty; there was great rejoicing on the occasion.

If I was to venture to give an opinion I should say that Don Pedro will leave off wearing his crown, before the young Prince can do without his Caps.

From what I could learn while I was in Rio, I am satisfied that there is a strong party in the Brazil against the powers that be. I am also very well assured that Bolivar intends to take a peep into that country, before he retires from the field; this was the general opinion in Upper Peru, when I left Arica in October last.
