**CHEMICAL EMBROCA-
TION,**

OR—WHITWELL'S ORIGINAL
OPODELDOC.

Treble the strength of the hard kind.

BEWARE OF IMITATIONS.

THIS article is now, beyond all dis-
pute, considered by every Physician
of extensive practice in the United States
as the best known external remedy in all
cases of Bruises, Sprains, Gout, Rheuma-
tism, Cramp, Numness, Stiffness of the
Neck or Limbs, Chilblains, Chapped
Hands, Stings of Insects, Vegetable Por-
sons &c.

The use of this celebrated remedy is not
confined to the American States. Orders
for it are constantly received from South
America, the West Indies, Nova Scotia,
Lower Canada, and in one instance orders
were received from England and Russia.—
In a late letter, to the Proprietor from St.
Salvador, the writer observes, "Your Opo-
deldoc begins to be well known and fully
appreciated," &c.

Certificates have been received, sufficient
to fill a column of a paper. A few only
of the first respectability are attached to the
directions—among which is one from a
Physician of the highest grade in Europe or
America.

Pause before you Purchase.

No one circumstance can more fully
prove the value and great demand for this
Medicine, than the numerous servile and
contemptible imitations in existence—some
have so closely imitated the stamp and type
of the outside wrapper, as to be difficult of
detection, except only by the omission of
the NAME. Therefore, as you value your
Life or Limb, be sure to ask for and re-
ceive

Whitwell's Opodelloc

only, or you may be most wretchedly im-
posed upon.

At the same place may be had, the
Aromatic Snuff,

celebrated throughout the American Con-
tinent, in cases of Catarrh and Headache,
Drowsiness, Depression of Spirits, Va-
pors, Dizziness of Eye-sight, and all dis-
orders of the head. From its most fragrant
and grateful quality, it completesly counter-
acts the effects of a bad atmosphere, and be-
ing equally antiputrescent, is indispensably
necessary to watch over and visit the sick.

The Opodelloc,

is recommended by Dr. MITCHELL, of
New-York, M. D. L. L. D. Professor
of Botany and Materia Medica in their
College of Physicians: The SNUFF, by
Dr. WATERHOUSE, Professor of the
Theory and practice of Physic in the Uni-
versity of Cambridge.

The above articles, warranted Genuine,
will constantly be kept on hand by SAMU-
EL KENDALL, jun. who is appointed
Agent for the Inventors.
