HOWARD DOUGLAS, A PROCLAMATION.

WHEREAS the Right Honourable Earl Bathurst, one of His Majesty's principal Secretaries of State has transmitted to me the following order of His Majesty in Council:—viz:

At the Court at Carlton House, 23d March, 1825.

PRESENT.

The King's most Excellent Majesty, IN COUNCIL.

WHEREAS it has been represented to His Majesty at this Board, by the Lords Commissioners of His Majesty's Treasury, that they have given directions, that His Majesty's Troops, serving in the several British Colonies and Possessions abroad, should in certain cases be paid in British Silver, and Copper Money, and that with a view of securing the circulation of such Money in those Colonies it would be expedient that an order in Council should be issued, declaring that in all those Colonies where the Spanish Dollar, is now either by Law, Fact, or Practice, considered as a legal tender for the discharge of Debts, or where the duties to the Government are raised or collected, or the Individuals have a right to pay in the description of Coin, that a tender and payment of British Silver Money, to the amount of Four Shillings and Four Pence, should be considered as equivalent to the tender or payment of one Spanish Dollar, and so in proportion for any greater or less amount of Debts.

And Whereas it has been further represented by the Lords Commissioners of His Majesty's Treasury, that with respect to the Cape of Good Hope, where there are not any Spanish Dollars in circulation, consists entirely of paper Rix Dollars and its proportions, and with respect to Ceylon, where the circulation consists of Silver and Paper Rix Dollars, as well as of a variety of other Coins, which are generally received and paid with relation to their value as compared with Rix Dollars, it would be expedient that a tender and payment of one Shilling and six pence in British Silver Money, should be considered as equivalent as a tender and payment of one such Rix Dollar, so current at the Cape of Good Hope, and Ceylon, respectively, and so in proportion, for any greater or less sum, and also, that British Copper Money, should be made a

legal tender in all the British Colonies for the due and proper proportions of British Silver Money, as by Law established in Great Britain, but that no person shall be compelled to take more than 12d. in Copper Money, in any one payment. His Majesty having taken the said representation into consideration, is pleased, by and with the advice of His Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of His Majesty's Treasury, and the Right Honourable Earl Bathurst, one of His Majesty's Principal Secretaries of State, are to give the necessary directions, herein as to them may respectively appertain.

(Signed) C. C. GREVILLE.

I do therefore hereby make known the same, to all His Majesty's loving subjects in this Province, and all persons concerned, will take due notice, and govern themselves accordingly.

And I do also hereby further make known that the holders of British Silver Money, may demand from the Officers in charge of the Customary Department, Bills upon the Lords Commissioners of His Majesty's Treasury at three days sight, in Exchange for whatever sums may be tendered by them in British Silver, not less in amount than one hundred Pounds at the fixed rate of a Bill for one hundred Pounds, for every one hundred and three Pounds of British Silver Money, so tendered.

Given under my hand and Seal at Frederickton, the Twenty second day of October, in the year of our Lord One Thousand Eight hundred and Twenty five, and in the Sixth year of His Majesty's reign.

By His Excellency's Command,

W. M. F. ODELL.

Extract from the Journal of the House of Assembly, Monday 30th Jan. 1826.

MESSAGE FROM HIS EXCELLENCY THE LIEUTENANT GOVERNOR.

Tuesday, 30th Jan.

The Lieutenant-Governor, in answer to the Address of the House of Assembly, on the destruction of the late Government-House by Fire, and their Resolution of the expediency of taking immediate steps to remedy the inconvenience, unavoidably arising from the want of such a Building, assures the House that he is deeply sensible of the terms in which the House have expressed their apprehension, that the Lieutenant-Governor and his Family have suffered much inconvenience and privation, from the want of a sufficient residence, and thanks the House for the solicitude which they so liberally manifest to put a period to this, by providing, as soon as possible, a proper accommodation.

The Lieutenant Governor regrets, deeply, that it should be necessary to bring so heavy a charge on the Finances of the Country, and assures the House that it is on this account, chiefly, that he and his Family feel the share they have had in the late calamities.—The Lieutenant Governor, however, entirely concurs with the House, as to the expediency of erecting a sufficient Building at the Seat of Government, for the residence of the Lieutenant Governor, and upon a scale suited to the present state of the Province. But he has not yet caused Plans and Estimates to be prepared; nor directed any steps to be taken for this purpose, because he would not originate any measures, which might seem to have reference to his convenience, or to that of his Family, at a time when the Province is suffering so severely; and because he was persuaded that the House of Assembly would not fail to take of themselves, a course that would consist with a just regard to the circumstances of the Country, in the proper Establishment of the Governor in a suitable residence, and with a liberal and feeling consideration for the more immediate accommodation of his Family.—And the House having expressed their desire that immediate steps be taken towards the erection of a new Government House.—The Lieutenant-Governor will forthwith cause Plans and Estimates for the same to be prepared, and laid before the House, and recommends that the Site of the new Building should be on, or near as practicable, to that of the former.
