

Another child of sorrow will pre-
 herself to you. During this long sad
 in which my soul has been departing
 God, the inhabitant of the next
 has delayed its flight; her voice
 reached me midst the darkness of the
 and, by some indescribable power,
 stayed my spirit, and keep my languid
 will beating!"

The person to whom this was addressed,
 towards the nurse for information.
 he could learn was, that by her patient's
 she had been several times in the ad-
 room, to offer consolation and assis-
 to a person who seemed resolved to
 of neither. "But you perhaps, sir,"
 ded she, "may be able to speak comfort
 the poor thing."

A voice now issued from the apartment;
 the partition was so thin, and its aper-
 es so frequent, that every word was dis-
 cly heard. "Whoever you are," said
 voice, "come and receive my sad tale.
 hat I have yet breath to utter it—in a
 moments my lips will close for ever!"

This was articulated in a tone so faint, that
 ere could be no doubt that the person who
 ed it was indeed expiring, and the two
 eds, in awful silence, entered her apart-
 nt.

(To be continu'd.)
