THE Subscriber begs to observe, that in consequence of having at a great expense effected new arrangements in the business of his Office, the purport of the notice which always accompanies the Gazette, regulating the publication of Advertisements by the amount of Cash received previous to insertion, cannot in future be departed from. The same arrangements render it imperative on the Subscriber to request that all those who are in arrears for the Gazette, will oblige him by settling their Accounts within THREE MONTHS from this time, as the Gazette cannot afterwards be sent to them, nor can any name in future be entered on the Subscription list, unless the usual terms are first complied with: and all business relating to the Printing Office will be henceforth transacted through the Royal Gazette Office in Phoenix Square, and the person there duly authorized for that purpose. The Subscriber trusts that having experienced the necessity for such regulations as these, and the utter impossibility of doing any thing in a proper manner without them, they will therefore be satisfactory to his friends and the public in general, especially as he does not intend to reimburse himself for the expenses he has incurred in the affairs of his establishment by any advance, either in the price of the Gazette, the terms of advertising, or in any other portion of his business.
