Circular to Commanding Officers of Corps.

ADJUTANT GENERAL'S OFFICE, }  
Fredericton, 25th Nov., 1828. }

Sir,

IT having been represented to the Commander-in-Chief, that the Militia Law, in regard to the proper transmission of the contingent accounts by the Quarter-Masters, is not duly attended to: and this irregularity being highly prejudicial to the Militia Service: His Excellency most strictly enjoins Officers, in the command of Regiments, to cause the Quarter-Master to prepare and render, every six months, agreeably to the Law, an account of all fines, penalties, &c. by him received, within the preceding half year.—And it being essential that the Quarter-Master's account of fines, &c. collected, should be transmitted with the greatest possible regularity, in order to be examined and reported upon; I have the honor to request that you will enforce the greatest attention to this point on the part of the Quarter-Master of the Battalion under your command; that you may be enabled to furnish the Inspecting Field Officer, at the General Inspection, with a proper and correct account of the funds of your Corps:—And as frequent complaints have been preferred of the Captains or Officers commanding Companies, neglecting to furnish the Quarter-Master with lists of Exempts and Aliens residing within the Districts of their Companies, by reason of which the difficulty of collecting the fines is much increased and oftentimes altogether lost; His Excellency desires that you will be pleased to call the attention of Officers to this very important part of their duty.

By Command,  
GEORGE SHORE, A. G. M. F.
