in answer to such a Charge T Gesides ist the ask that Editor what, advantage could possibly be do tweed from the late Epithetaso abusive and in some respect so unmeaning as "famburg, ong seners, typer-of proof on she United States, so show in on Monday the same day of February mark respect is unmeaning as "humburg cagaeness, super-cilions ness of a production trans such a Quartered ion, its such a production trans such a Quartered i will ventures to answer for him, none-one i of this Province to be generally cover dynamics and of this Province to be generally cover dynamics and inter manness too pulsated, by the mabitants in their manness too pulsated, by the mabitants in their manness too pulsated, by the mabitants in their manness too pulsated, by the mabitants independent foreign State the speech is of questionality a singular private the speech is of questionality a singular private ing but, 4" Brutch Capiting, "separal raise-a tors and the state questionality a singular private the speech is of questionality a singular private the speech is of questionality a singular private to the spee

In my humble opinion the prosecution of Ba ker and this confederates is undespendibly necessary for the preservation of the Public Peace. Governor Lincoln himself, will not pretend to the contrais When he can persuade himself that the place in which the outrageous act complained of was ronimitied, was in the possession of Great Britain. That is the only point old ff, rence,

It this place was not in our fossession, the ar test of Baker cannot be justified and if it was, the prosecution was, and is unavoidable

The Question of the Right to the Place in question is not to be settled between the State of Marne and this Province. The Nations to which we

Freaty of Ghent, the proceedings under it -and if more be wanted, look at the Let ters of VERAX on the Boundary Line. Common tesse ought to competewery perian, however, reluctant, to admit that the Bruish claim to the " Disputed Territory" is made and supported with sincerity. In sugning over the numbers of the Register, I find under date of the 26th ult. in extract from one of our Papers called the
