KENNEDY'S Medical Discovery

THE GREATEST OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two. He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruptions of the skin. Two or three bottles are warranted to cure the worst case of ringworm. Two or three bottles are warranted to cure the most desperate cases of rheumatism. Three or four bottles are warranted to cure the salt rheum. Five to eight bottles will cure the very worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed, growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fact. If you have a humor it has to start. There are no ifs nor ands about it, suiting some cases, but not yours. He has peddled over a thousand bottles of it in the vicinity of Boston, and knows the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. He gave it to children a year old; to old people of sixty; and has seen poor, puny looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound, it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it—on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that ever man listened to.

No change of diet ever necessary. Eat the best you can get, and enough of it.

HARRY, DU BARRY, and Co., 77 Regent-street, London

A few out of 50,000 cures are here given:— UKASE BY THE EMPEROR OF RUSSIA.

Russian Consulate General, London, Dec. 2, 1847.

The Consul General has been ordered to inform Messrs. Barry Du Barry & Co., that the Revalenta Arabica they had sent to His Majesty the Emperor, has, by imperial permission, been forwarded to the Minister of the Imperial Palace.

Cure No. 71, of dyspepsia from the Right Hon. the Lord Stuart de Decies: "I have derived considerable benefit from Du Barry's Revalenta Arabica Food, and consider it due to yourselves and the public to authorize the publication of these lines— STUART DE DECIES."

Cure No. 48, 502.—"Fifty years' indescribable agony from dyspepsia, nervousness, asthma, cough, constipation, flatulency, spasms, sickness at the stomach and vomiting, have been removed by Du Barry's excellent food— Maria Jolly, Wortham Ling, near Diss, Norfolk."

Cure No. 47, 314.—"Miss Elizabeth Neoman Gatesacre, near Liverpool, a cure of ten years dyspepsia and all the horrors of nervous irritability."

Practical Experience of Dr. Gries, in Consumption. Magdeburg, 26 Sept., 1855.

My wife, having suffered for years from a pulmonary complaint, became so ill at the beginning of this year, that I looked daily for her dissolution. The remedies which hitherto had relieved her remained now without effect, and the ulcerations of the lungs and night sweats debilitated her fearfully. It was in this, evidently the last and hopeless stage of pulmonary consumption, when every medicine remained powerless in even affording temporary relief—that I was induced by a medical brother from Hanover, who makes pulmonary consumption his special study, and treats it with Du Barry's Revalenta Arabica, to try this strengthening and restorative food, and am happy to be able to express my astonishment at its effects. My poor wife is now in as perfect a state of health as ever she was, attending to her household affairs and quite happy. It is with pleasure and the most sincere gratitude to God for the restoration of my wife, that I fulfil my duty of making the extraordinary efficacy of Du Barry's Revalenta, in so fearful a complaint, known; and to recommend it to all other sufferers. GRIES, M. D.

CERTIFICATE FROM DR. GATTKER. Zurich, 3 September, 1855.

I have tried Du Barry's Revalenta Arabica for a complaint which had hitherto resisted all other remedies—viz.: CANCER OF THE STOMACH; and I am happy to say, with the most successful result. This soothing remedy has the effect, not only of arresting the vomiting, which is so fearfully distressing in cancer of the stomach, but also of restoring perfect digestion and assimilation. The same satisfactory influence of this excellent remedy I have found in all complaints of the digestive organs; it has also proved effectual in a most obstinate case of habitual flatulence and colic of many years standing. I look upon this delicious Food as the most excellent restorative gift of nature. PLYMOUTH, May 9th, 1851.

For the last ten years I have been suffering with dyspepsia, nervousness, low spirits, sleeplessness and delusions and swallowed an incredible amount of medicine without relief. I am happy to say that your Food has cured me, and I am now enjoying better health than I have had for many years past. J. S. NEWTON.

Devon Cottage, Bromley, Middlesex, March 31, 1849. GENTLEMEN.—The lady for whom I ordered your food is six months advanced in pregnancy, and was suffering severely from indigestion, constipation, throwing up her meals shortly after eating them, having a great deal of heartburn, and being constantly obliged to have recourse to physic or the enema and sometimes to both. I am happy to inform you that your food produced immediate relief. She has never been sick since, had but little heartburn, and the functions are more regular, &c.

You are at liberty to publish this letter if you think it will tend to the benefit of other sufferers. THOMAS WOODHOUSE

In canisters, suitably packed for all climates, and with full instructions—4lb, 1s 9d; 1lb, 3s. 6d; 2lbs 2s 8d; 5lbs, 13s 9d; 12 lbs, 27s. 6d.

IMPORTANT CAUTION.—Many invalids have been seriously injured by spurious imitations under closely similar names such as Revalenta Arabica Food and others, the public will do well to see that each canister bears the name: HARRY, DU BARRY, and Co., 77, Regent-street, London in full, without which none is genuine. JOHN NAYLOR, Agent, 152 Granville Street, Jan. 12.

The best and cheapest Family Medicine in the world.

DR. ROBERTS' COMPOUND SARSAPARILLA PILLS.

An alterative, Tonic, Diuretic and mild Cathartic.

PRICE 25 CENTS PER BOX, CONTAINING 50 PILLS. Each box contains fifty pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warranted much superior in the cure of various diseases, to any of the Syrup mixtures sold; besides being a more convenient and proper form for use.

THE astonishing success which has attended the use of Dr. Roberts Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's Own Remedy,

and that they will cure all curable diseases, quicker and more pleasantly than any other medicine ever known. The Pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner,) but sufficiently cathartic to gently assist nature, without purging unnecessarily, which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our ablest physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unequalled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the liver and stomach, viz., erysipelas, scrofula or king's evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore, weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhoea and dysentery, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and nervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate and purify the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are pleasant to the palate, and produce no nausea, uneasiness or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit.

We ask no person to take our word as to the merits of the medicine, but to call on the agent and purchase a box, and if on trial it does not give the most perfect satisfaction, they can return the box and receive the money paid for the same. Purchasers will be particular to ask for "Dr. Roberts' Compound Sarsaparilla Pills," and observe that the green wrapper on each box has a fac simile of the signature of Jos. Roberts, M. D., and C. P. Fay, and to purchase none others.
