

ALWAYS SOMETHING NEW. READ THIS--OLD AND YOUNG!

PROFESSOR WOOD'S

Hair Restorative.

It is no doubt, the most wonderful discovery of this age of progress, for it will restore, permanently, gray hair to its original color, cover the head of the bald with a most luxuriant growth, remove at once all dandruff and itching, cure all scrofula, and other cutaneous eruptions, such as scald head, etc. It will cure, as if by magic, nervous or periodical headache; make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling, to extreme old age.

The following is from a distinguished member of the medical profession: St. Paul, January 1, 1855.

PROFESSOR O. J. WOOD--

DEAR SIR: Unsolicited, I send you this certificate. After being nearly bald for a long time, and having tried all the hair restoratives extant, and having no faith in any, I was induced, on hearing of yours to give it a trial. I placed myself in the hands of a barber, and had my head rubbed with a good stiff brush, and the Restorative then applied and well rubbed in, till the scalp was aglow. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from August last till the present time, and is now thick, black and strong--soft and pleasant to the touch; whereas, before, it was harsh and wiry, what little there was of it, and that little was disappearing very rapidly. I still use your restorative about twice a week, and shall soon have a good and perfect crop of hair. Now, I had read of these things--and who has not? but have not seen hitherto any case where any person's hair was really benefited by any of the hair tonics, etc., of the day; and it really gives me pleasure to record the result of my experience. I have recommended your preparation to others, and it already has a large and general sale throughout the Territory. The people here know its effects, and have confidence in it. The supply you sent us, as wholesale agents for the Territory, is nearly exhausted, and daily inquiries are made for it. You deserve credit for your discovery; and I, for one, return you my thanks for the benefit it has done me, for I certainly had despaired long ago of ever effecting any such result.

Yours, hastily, J. W. BOND.

Firm of Bond & Kelly, Druggists, St. Paul.

[From the Editor of the Real Estate Advertiser.] Boston, 27 School Street, March 20, 1855.

DEAR SIR: Having become prematurely quite gray, I was induced, some six weeks since, to make a trial of your Restorative. I have used less than two bottles, but the gray hairs have all disappeared; and although my hair has not fully attained its original color, yet the process of change is gradually going on, and I am in great hopes that in a short time my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry; and it has ceased to come out as formerly.

Respectfully yours, D. C. M. RUPP.

Professor Wood.

CARLYLE, Illinois, June 19, 1855.

I have used Professor Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming as I thought, prematurely gray, but by the use of his "Restorative," it has resumed its original color, and I have no doubt, permanently so. SIDNEY BRESE, Ex-Senator United States.

THIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c. By various experiments he at length discovered a preparation which answered his most sanguine expectations, and its peculiar virtues becoming known to his friends, he was induced by them to prepare it for general use.

Since its first introduction to the public some important additions and improvements have been made in its composition, increasing its value and making it applicable to a greater number of diseases, especially to those of the stomach and bowels, and it is now used internally with, if possible, greater success than externally.

DYER'S Healing Embrocation

Is a perfect pain destroyer and an Invaluable Remedy for Rheumatism, Cuts, Wounds, Scalds, Burns, Bruises, Cholera Morbus, Diarrhoea, Sore Throat, Swellings, Cramp, &c.

It is indeed truly gratifying to us to receive such indisputable proofs of the value of this astonishing remedy, as are daily presented us. We know its true value experimentally, and do not hesitate to recommend it as superior to any other Medicine for similar purposes, and we are willing at any time to refund the money, if it does not give entire satisfaction, or possess all the virtues we ascribe to it. Be sure and get the genuine.

Mason's Normal Singer,

A Collection of vocal Music, for Singing-Classes, Schools, and Social Circles. Arranged in four parts. To which are prefixed the Elements of Vocal Music, with Practical Exercises. By LOWELL MASON, Doctor of Music, University of New York. 192 pages.

THIS little work, just published, is received with universal favor, and is undoubtedly destined to be the most popular School Music-Book ever published in America. "The Normal Singer," says the Preface, "if it be indeed normal, must be right; or a book in which the principles of song are treated according to their true relations to the great work of education, or to human improvement, goodness, and happiness. It must be right in the end at which he aims, and right in its details, or in the means which it employs." The music is mostly new, embracing, however, a few of the gems from the "Juvenile Lyre," "Juvenile Singing School," and other of Dr. Mason's juvenile works published many years since. It is so arranged that it can be sung in one, two, or four parts.

AYER'S Cathartic Pills, (SUGAR COATED) PURELY VEGETABLE.

CLEANSE THE BLOOD AND CURE THE SKIN. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their effects, and judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach, Bilious Disorders and Liver Complaints.

Dr. J. C. AYER, Pittsboro, Pa., May 1, 1855. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a full stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect, ED. W. FREBELL, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb. 1856. Sir: I have used your Pills in my general and hospital practice ever since you first issued them, and cannot hesitate to say they are the best cathartic to employ. Their refreshing action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms. POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

Dr. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went out to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills; and lost much time, without being cured entirely even then. Such a medicine as yours, which is so really good and honest, will be prized here. GEO. J. GRIFPIN, Pharmacist.

Indigestion and Impurity of the Blood. From Rev. J. Y. Himes, Pastor of Advent Church, Boston.

Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. Y. HIMES.

WARREN, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEECHAN, M. D.

Erysipelas, Scrofula, King's Evil, Tetten-Tamors, and Salt Rheum.

From a Correspondent of St. Louis, Mo., 24th 1856. Dr. AYER: Your Pills are the perfection of all that is great in medicine. They have cured my little daughter of ulcers upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After she had used your Pills, she also tried your Pills, and they have cured her. ASA MORRIS.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hawkes, of the Methodist Episcopal Church, PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief you have brought me if I did not report my case to you. A cold settled in my limbs and brought on an excruciating neuralgia which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BAYON ROUGE, LA., 5 Dec. 1855.

Dr. AYER: I have been entirely cured by your Pills of Rheumatic Gout--a painful disease that had afflicted me for many years. VINCENT SLEIBEL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a cold pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it a name already known. Nay, few are the families in any civilized country who do not have some of these pills in their medicine chest, and for ever yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous disease of the pulmonary organs, it is the most powerful antidote yet known to man for the formation, the presentment and safest remedy that can be employed for the relief of the pulmonary system. Parents should have these pills in their medicine chest, and every one who is afflicted with the disease should have them. We have abundant grounds to believe, that the Cherry Pectoral saves more lives by the consumption of its virtues, than all the other remedies combined. Keep it by you, and every cold which you are unable to subdue, until no human skill can master the formidable cancer that, fastened on the vital, cuts your life away. All know the dreadful fatality of lung disorders, and we know too the victims of this disease, we need not do more than assure them it is still made the best it can be. We are so cost, no care, no toil to produce it the most perfect possible, and thus afford them who rely on it the best agent which our skill can furnish for their cure.
