

Can't Stomach it!—Of Course Not.

WHAT STOMACH can bear the enormous doses of medicine some give when the disease is not in the stomach at all, but in the lungs?—and the road to the chest is not through the digestive organs!

Gerry's Pectoral Tablets.

THIS elegant preparation of Gerry, suffered to dissolve on the tongue, has its active principles at once absorbed by the capillaries and sent direct to the lungs where without delay it commences a healing process.

Price one shilling sterling, at Morton's Medical Warehouse, January 16.

THE

"SEBASTOPOL" OF DISEASE.

THE ALLIES have made great blunders in the Crimea, but not greater than are every day made by doctors, who, to dislodge the enemy Consumption from the lungs, throw immense quantities of ammunition, in the shape of powders and pills into the stomach.

KENNEDY'S

Medical Discovery THE GREATEST OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of biles.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed, growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have taken it have been cured for years, and have been regulated by it.

Principal Office of the Medical Discovery for the State of Maine and the British Provinces is at the Drug Establishment of H. H. HAY, 15 & 17, Market Square—Portland, Me. To whom all orders should be addressed.

DYSPEPSIA MANUFACTURERS.

HUNDREDS of awful dyspeptic cases have been brought on by loading the stomach with medicines intended to heal the lungs. How absurd is this mode of treatment; and yet it is a fact that the doctors advocate it. In all cases of lung and bronchial disease, the organs affected should be healed without the remedies becoming weakened or useless by traveling the stomach and intestines. Gerry's Pectoral Tablets go at once from the mouth to the lungs, and effect almost certain cures.

Price one shilling sterling, at Morton's Medical Warehouse, January 16.

A Chemical Compound similar to the Natural Oil of the Hair. FAY'S SPANISH HAIR GLOSS.

A CLEAN, WHITE AND BEAUTIFUL PREPARATION for promoting the growth, luxuriance and beauty of the Hair—removing dandruff, scales and scurf,—unequalled for keeping the Hair moist, imparting to it a rich silky softness and highly beautiful lustre. Soothing and agreeable properties will be found remarkable. It is unlike any of the Alcoholic and Oil preparations so commonly used for the Hair. Its superiority over all Hair preparations consists in its drying and heating as the alcoholic preparations are; and being free of the greasy qualities of marrow, oils, &c. Its power to remove the glutinous coating which obstructs the pores of the skin when unhealthy, and which prevent the follicles from exuding an oily substance necessary to the natural moisture, beauty and growth of the Hair is unequalled.

One free application of the Hair Gloss will impart a more lasting beauty and moisture to the hair, than a whole bottle of the alcoholic preparations usually sold; besides it will not soil the finest linen. Mothers will find this preparation the best they can use to dress children's hair, keeping it in place, giving it a most careful lustre and causing it to grow luxuriantly. If any preparation of art can cause the hair to grow, the Spanish Hair Gloss will do it.

Sold at Wholesale by J. D. Nasir, and at retail by all the principal Druggists, and dealers in Fancy Goods, at Halifax, N. S. May 31.
