PROFESSOR WOOD'S Hair Restorative.

It has worked Miracles.

THAT ALL THE BALD AND GRAY CAN BE restored perfectly to original growth, and color so far as their locks are concerned does not admit of doubt; besides it will cure every possible disease of the scalp, whether developed as dandruff itching, or in the shape of cutaneous eruptions—even scald-head—and in no possible case will it fail of curing as if by magic, nervous or periodical head-ache, and if used twice a week by the young regularly, it will preserve the color, and keep the hair from falling, to any imaginable age. Read and judge.

Millford, Worcester Co., Mass., Nov. 1855.

PROF. O. J. WOOD—Dear Sir; I take great pleasure in bearing voluntary testimony to the magic effects of your wonderful Hair Restorative. As far back as 1836, my hair commenced falling off, until the top of my scalp became bald and smooth as glass, and it has continued to fall for a great many years, notwithstanding I have used many celebrated preparations for restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter astonishment, found, after a few applications, that my hair became firmly set, and assumed a glossy and beautiful appearance; and by the time I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length, and growing fast. Yours, truly, HENRY GODDRICH.

CHARLESTOWN, Mass., Aug. 9, 1855.

Gents:—Nothing but a duty and sympathy that I feel to communicate to others that are afflicted as I have been, would induce me to give this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. When I first commenced using it, my hair was quite gray, and in spots entirely bald. I have now used the Restorative about five months, and my hair is entirely changed to its original color, brown, and the new hair is over three inches in length on the spots where it was bald. I have also been much gratified at the healthy moisture and vigor of the hair, which before was dry, and it has ceased to come out as formerly. Respectfully yours, &c., Mrs. R. A. STODDARD.

From Mrs. Ingalls, a well known nurse in Boston. Boston, Oct. 19, 1855.

GENTS:—At your request and being so highly pleased with the effects of the Restorative, I am free to state that my hair had become quite thin, and entirely white. I have for the last five years been in the habit of using dye, but hearing of the extraordinary effects of this article, I was induced to try it. My hair has been restored to its original thickness, and also to its former color, which is light brown. Yours respectfully, MRS. INGALLS.

The following is from the Pastor of the Orthodox Church, Brookfield.

Brookfield, Mass., Jan. 12, 1855.

Prof. WOOD—Dear Sir—Having made trial of your Hair Restorative, it gives me pleasure to say, that its effects have been excellent in removing inflammation, dandruff, and a constant tendency to itching, with which I have been troubled from my childhood, and has also restored the hair, which was becoming gray, to its original color. I have used no other article, with anything like the same pleasure and profit. Yours truly, J. K. BRAGG.

[From the Jersey City Telegraph]

WHAT IS IT FOR?—THIS WOOD'S HAIR RESTORATIVE?—It is a question asked daily by hundreds. We answer without hesitation or fear of contradiction, that it is the article known which will do all it promises for the human hair. It will renew its growth—it will stop its falling—it will restore its natural color! It is not a Hair Dye, but a speedy and efficacious Restorative. O. J. WOOD & Co., Proprietors, 312 Broadway, N. Y., and 114 Market, St. Louis, Mo. Nov. 19. 3 m.

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

Why are we Sick.

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

These Pills Purify the Blood.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease all in its forms.

Dyspepsia and Liver Complaints.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

General Debility.—Ill Health.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

Female Complaints.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no female should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:—

Try Them!

WE mean GERRY'S PECTORAL TABLETS for Coughs and Colds, which, slowly dissolved in the mouth, directly act on the lungs and bronchial tubes when diseased. The common practice has hitherto been to pour large doses of physic into the stomach, thereby not only losing their effects, but inducing dyspepsia, and other diseases of the digestive organs. We say, try them.

AYER'S Cathartic Pills.

(SUGAR COATED.) ARE MADE TO CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Phlegmatics, read their Effects, and Judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach.

PITTSBURGH, PA., May 1, 1855. Dr. J. C. AYER: Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. ED. W. FEEBLE, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., Feb. 1856. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HALIFAX, N. S., Mich., Nov. 16, 1855. Dr. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctor's bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston. Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARREN, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetters, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawley, of the Methodist Episc. Church, PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec. 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints.

requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease. We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country of this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable cancer that, fastened on the vitals, eads your life away. All know the dreadful fatality of lung disorders, and as they know the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

PREPARED BY DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

AND SOLD BY MORTON & COGSWELL, Halifax; DR. E. F. HARDING, Windsor; G. S. CROSCOMB, Liverpool and by all Dealers in Medicine throughout the Provinces.
