LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

Why are we Sick.

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climes, ages, sexes, and constitutions.

These Pills Purify the Blood.

These famous Pills are expressly combined to operate on the stomach the liver the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

Dyspepsia and Liver Complaints.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally.

General Debility.—Ill Health.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

Female Complaints.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no female should be without it.

Can't Stomach it!—Of Course Not.

WHAT STOMACH can bear the enormous doses of medicine some give when the disease is not in the stomach at all, but in the lungs?—and the road to the chest is not through the digestive organs!

When you are threatened with consumption, and have coughs, colds, or bronchitis, take GERRY'S PECTORAL TABLETS. They attack the organ diseased, and do not beat about the bush. Price one shilling sterling, at Morton's Medical Warehouse.

THIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c.

DYSPEPSIA MANUFACTURERS.

HUNDREDS of awful dyspeptic cases have been brought on by loading the stomach with medicines intended to heal the lungs. How absurd is this mode of treatment; and yet it is a fact that the doctors advocate it.

In all cases of lung and bronchial disease, the organs affected should be healed without the remedies becoming weakened or useless by traveling the stomach and intestines. Gerry's Pectoral Tablets go at once from the mouth to the lungs, and effect almost certain cures.

Price one shilling sterling, at Morton's Medical Warehouse, January 16.

THE "SEBASTOPOL" OF DISEASE.

THE ALLIES have made great blunders in the Crimea, but not greater than are every day made by doctors, who, to dislodge the enemy Consumption from the lungs, throw immense quantities of ammunition, in the shape of powders and pills into the stomach. They often seriously damage the latter organ, but fail to operate on the former. Now the Pectoral Tablets go directly to the seat of mischief, and the whole tribe of lung diseases, Asthmas, Coughs, and sore throat, are quickly subdued.

Gerry's Pectoral Tablets.

THIS elegant preparation of Gerry, suffered to dissolve on the tongue, has its active principles at once absorbed by the capillaries and sent direct to the lungs where without delay it commences a healing process. How much better than those so-called remedies which only clog the stomach and create new diseases.

Price one shilling sterling, at Morton's Medical Warehouse, January 16

A Chemical Compound similar to the Natural Oil of the Hair. FAY'S SPANISH HAIR GLOSS.

A CLEAN, WHITE AND BEAUTIFUL PREPARATION for promoting the growth, luxuriance and beauty of the Hair—removing dandruff, scales and scurf,—unequaled for keeping the Hair moist, imparting to it a rich silky softness and highly beautiful luster. Soothing and agreeable properties will be found remarkable. It is unlike any of the Alcoholic and Oil preparations so commonly used for the Hair. Its superiority over all Hair preparations consists in its drying and heating as the alcoholic preparations are; and being free of the greasy qualities of marrow, oils, &c. Its power to remove the glutinous coating which obstructs the pores of the skin when unhealthy, and which prevent the follicles from exuding an oily substance necessary to the natural moisture, beauty and growth of the Hair is unequalled.

One free application of the Hair Gloss will impart more lasting beauty and moisture to the hair, than a whole bottle of the alcoholic preparations usually sold; besides it will not soil the finest linen. Mothers will find this preparation the best they can use to dress children's hair, keeping it in place, giving it a most beautiful lustre and causing it to grow luxuriantly. If any preparation of art can cause the hair to grow, the Spanish Hair Gloss will do it.

Sold at Wholesale by J. D. NASH, and at retail by all the principal Druggists, and dealers in Fancy Goods at Halifax, N.S. May 31.

KENNEDY'S Medical Discovery THE GREATEST OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two. He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of bile.

Two bottles are warranted to cure the worst cancer in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two or three bottles are warranted to cure the most desperate cases of rheumatism.

Three or four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the very worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed, growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands about it; suiting some cases, but not yours. He has peddled over a thousand bottles of it in the vicinity of Boston, and knows the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. He gave it to children a year old; to old people of sixty; and has seen poor, puny looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have taken it have been convalescent for years, and have been regulated by it. Where the body is sound, it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it—on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that ever man listened to.

No change of diet ever necessary. Eat the best you can get, and enough of it.
