AYER'S

CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues. FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

Pritsburg, Pa., May 1, 1855.

Dr. J. C. Aver. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Fills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect,

ED. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints. Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

Str.: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have soldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours,

ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. Co., MICH., Nov. 16, 1856.

DR. AYER: Your Pills are the perfection of medicine. The have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She thon commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us noid from five to twenty dollars doctors. while others around us paid from five to twenty dollars doctors bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

Da. Arra: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress.

To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES. DEAR SIE: I am using your Catharte Phis in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D. Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Longs, Feb. 4, 1866.

Dr. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pamples on her skin and in her hair. After our child was cured, ahe also tried your Pills, and they have cured her.

ASA MORGRIDGE

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULARKI HOUSE, SAVANNAH, GA., Jan. 6, 1856. Hencero Rig.: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the sovice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Phils. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

De. Aver: I have been entirely cured by your Pills of Rheu-matic Gout — a painful disease that had afflicted me for years. VINCENT SLIDELL. For Dropsy, Plethora, or kindred Com-

THIS little work, just published, is received with universal favor, and is undoubtedly destined to be the most popular School Music-Book ever published in America. "The Normal Singer," says the Preface, "if it be indeed normal, must be right, or a book in which the principles of song are treated according to their true relations to the great work of education, or to human improvement, goodness, and happiness. It must be right in the end at which he aims, and right in its details, or in the means which it employs." THE GREATEST MEDICAL DISCOVERY OF THE AGE.

EVERT KIND OF HUMOR

FROM THE WORST SCROFULA DOWN TO COMMON PIMPLE.

TE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure wil this cure hamor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846-second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in Port Hood the annals of patent medicines was ever like it. There Bras D'or. is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who

have seen more of it than I have. I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary. Eat the best you can get, and enough of it.
