

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

Why are we Sick.

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the ENFIRM, of all climates, ages, sexes, and constitutions.

These Pills Purify the Blood.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

Dyspepsia and Liver Complaints.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally.

General Debility.—Ill Health.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

Female Complaints.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no female should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:—

DYSPEPSIA MANUFACTURERS.

HUNDREDS of awful dyspeptic cases have been brought on by loading the stomach with medicines intended to heal the lungs. How absurd is this mode of treatment; and yet it is a fact that the doctors advocate it. In all cases of lung and bronchial disease, the organs affected should be heated without the remedies becoming weakened or useless by traveling the stomach and intestines. Gerry's Pectoral Tablets go at once from the mouth to the lungs, and effect almost certain cures.

Price one shilling sterling, at Morton's Medical Warehouse, January 16.

The best and cheapest Family Medicine in the world.

DR. ROBERTS' COMPOUND SARSAPARILLA PILLS.

An alterative, Tonic, Diuretic and mild Cathartic.

PRICE 25 CENTS PER BOX, CONTAINING 50 PILLS.

Each box contains fifty pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warranted much superior in the cure of various diseases, to any of the Syrup mixtures sold; besides being a more convenient and proper form for use.

THE astonishing success which has attended the use of Dr. Roberts' Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's Own Remedy,

and that they will cure all curable diseases, quicker and more pleasantly than any other medicine ever known. The Pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner,) but sufficiently cathartic to gently assist nature, without purging unnecessarily, which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our ablest physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unequalled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the liver and stomach, viz., erysipelas, scrofula or king's evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore, weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhoea and dysentery, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and nervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate and purify the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are pleasant to the palate, and produce no nausea, uneasiness or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit.

We ask no person to take our word as to the merits of the medicine, but to call on the agent and purchase a box, and if on trial it does not give the most perfect satisfaction, they can return the box and receive the money paid for the same. Purchasers will be particular to ask for "Dr. Roberts' Compound Sarsaparilla Pills," and observe that the green wrapper on each box has a fac simile of the signature of Jos. Roberts, M. D., and C. P. Fay, and to purchase none others.

Sold at Wholesale, by J. D. NASH, and at Retail by all the principal Druggists in Halifax, N. S. October 10.

A Chemical Compound similar to the Natural Oil of the Hair.

FAY'S SPANISH HAIR GLOSS.

A CLEAN, WHITE AND BEAUTIFUL PREPARATION for promoting the growth, luxuriance and beauty of the Hair—removing dandruff, scales and scurf,—unequalled for keeping the Hair moist, imparting to it a rich silky softness and highly beautiful lustre. Soothing and agreeable properties will be found remarkable. It is unlike any of the Alcoholic and Oil preparations so commonly used for the Hair. Its superiority over all Hair preparations consists in its drying and heating as the alcoholic preparations are; and being free of the greasy qualities of marrow, oils, &c. Its power to remove the glutinous coating which obstructs the pores of the skin when unhealthy, and which prevent the follicles from exuding an oily substance necessary to the natural moisture, beauty and growth of the Hair is unequalled.

One free application of the Hair Gloss will impart a more lasting beauty and moisture to the hair, than a whole bottle of the alcoholic preparations usually sold; besides it will not soil the finest linen. Mothers will find this preparation the best they can use to dress children's hair, keeping it in place, giving it a most beautiful lustre and causing it to grow luxuriantly. If any preparation of art can cause the hair to grow, the Spanish Hair Gloss will do it.

Sold at Wholesale by J. D. NASH, and at Retail by all the principal Druggists, and dealers in Fancy Goods, at Halifax, N. S. May 31.

THE

"SEBASTOPOL" OF DISEASE.

THE ALLIES have made great blunders in the Crimea, but not greater than are every day made by doctors, who, to dislodge the enemy Consumption from the lungs, throw immense quantities of ammunition, in the shape of powders and pills into the stomach. They often seriously damage the latter organ, but fail to operate on the former. Now the Pectoral Tablets go directly to the seat of mischief, and the whole tribe of lung diseases, Asthmas, Coughs, and sore throat, are quickly subdued. Price one shilling sterling, at Morton's Medical Warehouse.

Can't Stomach it!—Of Course Not.

WHAT STOMACH can bear the enormous doses of medicine some give when the disease is not in the stomach at all, but in the lungs?—and the road to the chest is not through the digestive organs! When you are threatened with consumption, and have coughs, colds, or bronchitis, take GERRY'S PECTORAL TABLETS. They attack the organ diseased, and do not beat about the bush. Price one shilling sterling, at Morton's Medical Warehouse.

Gerry's Pectoral Tablets.

THIS elegant preparation of Gerry, suffered to dissolve on the tongue, has its active principles at once absorbed by the capillaries and sent direct to the lungs where without delay it commences a healing process. How much better than those so-called remedies which only clog the stomach and create new diseases.

Price one shilling sterling, at Morton's Medical Warehouse, January 16
