EUROPEAN MEMORANDA

LATEST BY TELEGRAPH.

A diplomatic Circular, signed "Nesselrode." has been sent to all the Courts of Europe, setting forth what is to be the foreign policy of the if the Western Powers attempt to coerce the King of Naples into the adoption of reforms, necessary to prevent an outbreak in Italy, or, in other words, a general convulsion throughout Europe. Russia will espouse the cause of King Bomba, on the principle that he is doing what he likes with his own. The spirit of this manifesto gives color to the belief which prevails, that Russia will send her fleet for this purpose to the Bay of Naples, to oppose those of England and France, and a collision may arise, the consequences of which cannot well be over-estimated. The Circular is addressed to all Russian representatives abroad. It was read by Baron Brunow to the French Minister of Foreign Affairs, but if the Western Powers attempt to coerce the to the French Minister of Foreign Affairs, but SATURDAY, 18th.-R. M. S. Merlin, Sampson, St. that Government. A distinction is thus sought to be established between a simple despatch sent to a diplomatic agent. and formal notification directly addressed to the government. The real directly addressed to the government. The real question is, however, whether the Circular itself muda, 13 days.

manifesto is neither more nor less than a solemn manifesto is neither more nor less than a solemn declaration, "haughty in tone, and defiant in language," of the part Russia intends to assume in the political transactions of Europe, and a denunciation, but thinly veiled under stately courtesies of diplomatic style, against the interference of the two great powers, in Naples, and the continued occupation of Greece. The manifesto contains the doctrines of 1856, which are but the echo of the Holy Alliance of 1821, but the madness of the present tyranny is unever disgraced if they suffer themselve to be Bond, Newfoundland. deterred from this great and mighty writ, de Tuesday, 14th.—Schr Mayflower, Purdy, St. John's, deterred from this great and mighty writ, de lunatico inquirendo, by the miserable function of Wednesday, 15th.—Messenger, Siteman, Bay Chathe Holy Alliance, and the haughty menaces of leur; brigts Gladiator, Salter, Pictou; Vixid, Holmes,

In a church in New York there is an unusually good choir, who are allowed to monoplise the asical portion of the service. A stranger, entering the church one day, joined in the hymn. The fat old sexton waddled up to him, and exclaimed, "Stop, sir, stop; we do all the singing here ourselves, sir.

WORMS! WORMS!

IF A great many learned treatises have been written explaining the origin of, and classifying the worms generated in the human system. Scarcely any topic of medical science has elicited more acute observation and profound research; and yet physicians are very much divided in opinion on the subject. It must be admitted, however, that, after all, a mode of expelling these worms, and purifying the body from their presence, is of more value than the wisest disquisitions as to the origin. The expelling agent has at length been found-Dr. M' Lane's Vermifuge, prepared by Fleming Bros., is the much sought after specific, and has already superseded all other worm medicines, its efficacy being

universally acknowledged by medical practitioners. Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS, of PITTSBURGH, PA. All
other Vermifuges in comparison, are worthless. Dr.
M'Lane's genuine Vermifuge, also his Celebrated
Liver Pills, can now be had at all respectable Drug
Stores. None genuine without the signature of
