7 HE astonishing success which has attended the use of Dr. Roberts Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's Own Remedy,

and that they will cure all curable diseases, quicker and more pleasantly than any other medicine ever known. The Pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner,) but sufficiently cathartic to gently assist nature, without purging unnecessarily, which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our ablest physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unequalled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the liver and stomach, viz., erysipetas, scrofula or king's evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore, weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhœa and dysentery, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and pervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate and purify the system.

They are a purely vegetable compound, and moy be used by persons of all ages. They are pleasant to the palate, and produce no nausea, uncasiness or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit We ask no person to take our word as to the merits

of the medicine, but to call on the agent and purchase

DYSPEPSIA MANUPACTURERS.

UNDREDS of awful dyspeptic cases have been brought on by loading the stomach with medicines intended to heal the lungs. How absurd is this mode of treatment ; and yet it is a fact that the doctors advoeate it. In all cases of lung and bronchial disease, the organs affected should be healed without the remedies becoming weakened or useless by traveling the stomach and intestines. Gerry's Pectoral Tublets go at once from the mouth to the lungs, and effect almost certain cures.

A Chemical Compound similar to the Natural Oil of the Hair. FAY'S SPANISH HAIR GLOSS.

CLEAN, WHITE AND BEAUTIFUL PRE PARATION for promoting the growth, luxuriance 1855 and beauty of the Hair-removing dandruff, scales and scurf,-unequalled for keeping the Hair moist, imparting to it a rich silky softness and highly beautiful lustre. Soothing and agreeable properties will be found remarkable. It is unlike any of the Alcoholic and Oil preparations so commonly used for the Hair. Its superiority over all Hair preparations consists in its drying and heating as the alcoholic preparations are; and being free of the greasy qualities of marrow, oils, &c. Its power to remove the glutinous coating which obstructs the pores of the skin when unhealthy, and which prevent the follicles from exuding an oily substance necessary to the natural moisture, beauty and growth of the Hair is unequalled.

One free application of the Hair Gloss will impart a more lasting beauty and moisture to the hair, than a whole bottle of the alcoholic preparations usually sold besides it will not soil the finest linen. Mothers will find this preparation, the best they can use to dress children's hair; keeping it in place, giving it a most eautiful lustre and causing it to grow luxuriantly. If any preparation of art can cause the hair to grow, the Spanish Hair Gloss will do it.

Sold at Wholesale by J. D. NASH, and at retail by all the principal Druggists, and dealers in Fancy Goods. at Halifax, N. S. May 31.

Feb. 13.

R. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst ,000 Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two. He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Four to six bottles are warranted to cure corrupt and running ulcers.

Three or four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the very worst case of scrofula.

A benefit is always experienced from the first bottle. and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed, growing in the pastures, and along old stone walls; should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands about it, suiting some cases, but not yours. He has peddled over a thousand bottles of it in the vicinity of Boston, and knows the effects of it in every case, It has al ready done some of the greatest cures ever done in Massachucetts. He gave it to children a year old ; to old people of sixty; and has seen poor, puny looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

'To those who are subject to a sick headache, one bot-tle will always cure it. It gives great relief in catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound, it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed-they always dissapear in from four days to a week. There is never a bad result from it-on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extrava-
