Try Them! WE mean GERRY'S PECTORAL TABLETS for Coughs and Colds, which, as only dissolved in the mouth, directly act on the lungs and bronchial tubes when diseased. The common practice has hitherto been to pour large doses of physic into the stomach, thereby not only losing their effects, but including dyspepsia, and other diseases of the digestive organs. We say, try them.

UNION Fire & Life Insurance Associations, OF LONDON. Capital £2,500,000 Sterling. BOARD OF MANAGEMENT FOR NOVA SCOTIA, PRINCE EDWARD ISLAND, AND NEW-FOUNDLAND. DIRECTORS: Hon. Joseph Howe, M. P. P., Chairman. Donald Murray, Esq. William J. Stairs, Esq. John Tobin, Esq., M. P. P. Hon. Benjamin Wier, M. P. P. MEDICAL OFFICERS: Hon. Wm. Grigor, M.D., and Patrick Melroy, Esq., M.D. SOLICITOR: Peter Lynch, Esq. SURVEYOR: William Finlay, Esq. SECRETARY AND MANAGER: James H. Liddell. Advantages to Insurers in the Fire Department. A PARTICIPATION in TWO THIRDS of the PROFITS, and as a guarantee to Insurers, beyond the large proprietary, consisting of six thousand shareholders, the London Directors have deposited £10,000 Stg. in the BANK of BRITISH NORTH AMERICA, to be permanently invested as a Security Fund. All losses will be promptly settled by the Local Board without reference to England. There is a subscribed and untouched capital of £1,095,567 Stg., and a Premium Income of £33,000 per annum. The business of the Unity Fire Association continues to increase, and its popularity throughout England to be fully maintained, despite the efforts made to lower its standing; and the Directors of this Branch, having faithfully investigated the state of its affairs, have no hesitation in recommending it to the Public. They have also resolved to place the rates of insurance as low as the safety of both the shareholders, and the public will admit, and thus bring the benefits of insurance against Fire within the range of all parties; DEPENDING MORE UPON THE NUMBER of INSURANCES EFFECTED WITH THEM, THAN ON A HIGH RATE of PREMIUM. The best evidence of the continued and growing popularity of this association may be found in the fact that the London Office alone effected, in the two last weeks of October and the first in November, 1856, 500 Policies, covering £304,851 Stg.

Advantages to Insurers in the Unity Life Department. Persons assuring their lives, can, after 500 annual payments, discontinuing their Policies without Loss, as the office will give a paid-up Policy for all the premiums received. Blank Forms and Prospectus can be had on application at this office, or from the agents in the counties districts. HALIFAX OFFICE, PRINCE STREET, Dec. 17.

THE GREATEST MEDICAL DISCOVERY OF THE AGE. DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR; FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE. HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor). He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two to three bottles will clear the system of bile. Two bottles are warranted to cure the worst canker in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humors in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst case of ringworm. Two to three bottles are warranted to cure the most desperate cases of rheumatism. Three to four bottles are warranted to cure the salt rheum. Five to eight bottles will cure the worst cases of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humors. In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters. In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and unexpected virtues have been found in it that I never suspected. Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have. I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c. the discovery has done more good than any medicine ever known. No change of diet ever necessary. Eat the best you can get, and enough of it. DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. THE PRINCIPAL OFFICE for the STATE of MAINE and BRITISH PROVINCES, is at the Drug and Medical Establishment of H. H. HAY, 15 & 17, Market Square, PORTLAND, MAINE, to whom all orders should be addressed. Sold by respectable Druggists throughout the United States, and British Provinces. Price \$1.00. MORTON & CORWELL, General Agents; JOHN RICHARDSON; AVERY BROWN & CO.; DEWOLF & CO.; JOHN NAYLOR; WM. LANGRISH; THOS. DUNSEY.—Halifax Agents: G. W. McLENNAN, London-derry, and Druggists generally throughout the province. For Sale at Dr. CARRITT'S Drug Store, Amherst. May 21.
