The best and cheapest Family Medicine in the world.

DR. ROBERTS' COMPOUND SARSAPARILLA PILLS. An alterative, Tonic, Diuretic and mild Cathartic.

PRICE 25 CENTS PER BOX, CONTAINING 50 PILLS.

Each box contains fifty pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warranted much superior in the cure of various diseases, to any of the Syrup mixtures sold; besides being a more convenient and proper form for use.

THE astonishing success which has attended the use of Dr. Roberts Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's Own Remedy,

and that they will cure all curable diseases, quicker and more pleasantly than any other medicine ever known. The Pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner,) but sufficiently cathartic to gently assist nature, without purging unnecessarily, which makes them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our ablest physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unequalled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the liver and stomach, viz., erysipelas, scrofula or king's evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore, weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhoea and dysentery, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and nervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate and purify the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are pleasant to the palate, and produce no nausea, uneasiness or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit.

We ask no person to take our word as to the merits of the medicine, but to call on the agent and purchase a box, and if on trial it does not give the most perfect satisfaction, they can return the box and receive the money paid for the same. Purchasers will be particular to ask for "Dr. Roberts' Compound Sarsaparilla Pills," and observe that the green wrapper on each box has a fac simile of the signature of Jos. Roberts, M. D., and C. P. Fay, and to purchase none others.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR;

FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor,) he has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of bile. Two bottles are warranted to cure the worst case in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst cases of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston—I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself.

There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that on April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been a business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary. Eat the best you can get, and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
