# AYER'S CHERRY

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855. DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sconer pay twenty-five dollars for a bottle than do without it, or take any other remedy."

#### Croup, Whooping Cough, Influenza.

SPRINGFIELD, MISS., Feb. 7, 1856. BROTHER AVER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Monterey, IA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the sereness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

#### Asthma or Phthisic, and Bronchitis. WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.
HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE Co., IOWA, Writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon

ASYOR HOUSE, NEW YORK CITY, March 5, 1856. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptems of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard.

ORLANDO SHELBY, OF SHELBYVILLE.

Consumptives, do not despair till you have tried Aver's CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues. - Philadelphia Ledger.

### Ayer's Cathartic Pills.

FIME sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate stages or disordered organs into their natural action, and the healthy tone with strength to the whole system. Not ally do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not sub-stantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many entinent clergymen and physicians have lent their sames to centify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute im mensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratismy American Almanac, containing directions for their use, and certifi-

cates of their cures of the following complaints: burn, Headache arising from a foul Stomach, Nausea, Indiges | 3s. 3d.; and 5s. each Rox. tion, Morbid Inaction of the Bowels, and Pain arising therefrom Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the systein, cure many complaints which it would not be supposed they could reach, such as Deafness, Partiel Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by apprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

### THE GREATEST MEDICAL DISCOVERY OF THE AGE.

October 15.

Dr. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

### BVERT KIND OF HUMOR:

FROM THE WORST SCROFULA DOWN TO A

COMMON PIMPLE.

E has tried it in over 1100 cases, and never failed. except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pim ples on the face.

Two to three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker n the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all numon

in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst

case of ringworm. Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Three to four bottles are warranted to cure the sait Five to eight bettles will cure the worst cases of

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in case. So sure as water will extinguish fire, so sure will this cure homer. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never usen known until I discovered it in 1846-second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, 1 peddled it, and sold about six bottles per day—in April, 1854, 1 sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors-but since its introduction as a general family medicine, great an a wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits-a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known. No change of diet ever necessary. Lat the best you can get, and enough of it.

DIRECTIONS FOR USE .- Adults one table spoonful or day-Children over ten years dessert spoonful-Children from five to eight years, tea spoonful. As no arrections can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
