Mason's Normal Singer,

A Collection of vocal Music, for Singing-Classes, Schools, and Social Circles. Arranged in four parts. To which are prefixed the Elements of Vocal Music, with Practical Exercises. By LOWELL MASON, Doctor of Music, University of New York. 192 pages.

THIS little work, just published, is received with universal favor, and is undoubtedly destined to be the most popular School Music-Book ever published in America. "The Normal Singer," says the Preface, "if it be indeed normal, must be right, or a book in which the principles of song are treated according to their true relations to the great work of education, or to human improvement, goodness, and happiness. It must be right in the end at which he aims, and right in its details, or in the means which it employs." The music is mostly new, embracing, however, a few of the gems from the "Juvenile Lyre," "Juvenile Singing School," and other of Dr. Mason's juvenile works published many years since. It is so arranged that it can be sung in one, two, or four parts.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR;

FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst cases of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known. No change of diet ever necessary. Eat the best you can get, and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

CAMOMILE PILLS!!

HAPPILY Chemical and Medical Science has developed the important fact that from the flowers and herbs of the fields, we may procure the most suitable and valuable medicines. Among these BRYAN'S CAMOMILE PILLS stand pre-eminent. The extract from this flower acts most beneficially on the system, and when combined, as in Mr. Bryans process with other Vegetable principles, it forms one of the most safe and reliable medicine known for all disorders of the Digestive Organs. They are alike suitable for youth and age: male and female, and remain unchanged in any climate.

Price 1s. 6d., by retail dealers everywhere, and wholesale in Halifax at Morton's Medical Warehouse, y the Proprietor's agents G. E. MORTON & CO. April 16.

THIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c. By various experiments he at length discovered a preparation which answered his most sanguine expectations, and its peculiar virtues becoming known to his friends, he was induced by them to prepare it for general use.

Since its first introduction to the public some important additions and improvements have been made in its composition, increasing its value and making it applicable to a greater number of diseases, especially to those of the stomach and bowels, and it is now used internally with, if possible, greater success than externally.

DYER'S Healing Embrocation

Is a perfect pain destroyer and an Invaluable Remedy for Rheumatism, Cuts, Wounds, Scalds, Burns, Bruises, Cholera Morbus, Diarrhoea, Sore Throat, Swellings, Cramp, &c.

It is indeed truly gratifying to us to receive such indisputable proofs of the value of this astonishing remedy, as are daily presented to us. We know its true value experimentally, and do not hesitate to recommend it as superior to any other Medicine for similar purposes, and we are willing at any time to refund the money, if it does not give entire satisfaction, or possess all the virtues we ascribe to it. Be sure and get the genuine.

The best and cheapest Family Medicine in the world.

DR. ROBERTS' COMPOUND.

SARSAPARILLA PILLS. An alterative, Tonic, Diuretic and mild Cathartic.

PRICE 25 CENTS PER BOX, CONTAINING 50 PILLS.

Each box contains fifty pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warranted much superior in the cure of various diseases, to any of the Syrup mixtures sold; besides being a more convenient and proper form for use.

The astonishing success which has attended the use of Dr. Roberts' Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's Own Remedy,

and that they will cure all curable diseases, quicker and more pleasantly than any other medicine ever known. The Pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner), but sufficiently cathartic to gently assist nature, without purging unnecessarily, which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our ablest physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unequalled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the liver and stomach, viz., erysipelas, scrofula or king's evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore, weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhoea and dysentery, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and nervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate and purify the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are pleasant to the palate, and produce no nausea, uneasiness, or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit.

We ask no person to take our word as to the merits of the medicine, but to call on the agent and purchase a box, and if on trial it does not give the most perfect satisfaction, they can return the box and receive the money paid for the same. Purchasers will be particular to ask for "Dr. Roberts' Compound Sarsaparilla Pills," and observe that the green wrapper on each box has a fac simile of the signature of Jos. Roberts, M. D., and C. P. Fay, and to purchase none others.

PROFESSOR WOOD'S

Hair Restorative,

IS, no doubt, the most wonderful discovery of this age of progress, for it will restore, permanently, gray hair to its original color, cover the head of the bald with a most luxuriant growth, remove at once all dandruff and itching, cure all scrofula, and other cutaneous eruptions, such as scald head, etc. It will cure, as if by magic, nervous or periodical headache; make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling, to extreme old age.

The following is from a distinguished member of the medical profession: ST. PAUL, January 1, 1855.

PROFESSOR O. J. WOOD—

DEAR SIR: Unsolicited, I send you this certificate. After being nearly bald for a long time, and having tried all the hair restoratives extant, and having no faith in any, I was induced, on hearing of yours to give it a trial. I placed myself in the hands of a barber, and had my head rubbed with a good stiff brush, and the Restorative then applied and well rubbed in, till the scalp was aglow. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from August last till the present time, and is now thick, black and strong—soft and pleasant to the touch; whereas, before, it was harsh and wiry, what little there was of it, and that little was disappearing very rapidly. I still use your restorative about twice a week, and shall soon have a good and perfect crop of hair. Now, I had read of these things—and who has not? but have not seen hitherto any case where any person's hair was really benefited by any of the hair tonics, etc., of the day; and it really gives me pleasure to record the result of my experience. I have recommended your preparation to others, and it already has a large and general sale throughout the Territory. The people here know its effects, and have confidence in it. The supply you sent us, as wholesale agents for the Territory, is nearly exhausted, and daily inquiries are made for it. You deserve credit for your discovery; and I, for one, return you my thanks for the benefit it has done me, for I certainly had despaired long ago of ever effecting any such result.

Yours, hastily, J. W. BOND.

Firm of Bond & Kelley, Druggists, St. Paul.

[From the Editor of the Real Estate Advertiser.]

Boston, 27 School Street, March 20, 1855.

DEAR SIR: Having become prematurely quite gray, I was induced, some six weeks since, to make a trial of your Restorative. I have used less than two bottles, but the gray hairs have all disappeared; and although my hair has not fully attained its original color, yet the process of change is gradually going on, and I am in great hopes that in a short time my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry; and it has ceased to come out as formerly.

Respectfully yours, D. C. M. RUPP.

Professor Wood.

CARLYLE, Illinois, June 19, 1855.

I have used Professor Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought, prematurely gray, but by the use of his "Restorative," it has resumed its original color, and I have no doubt, permanently so.

A MARVELLOUS REMEDY! For a Marvellous Age!!

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidney, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every household knows that salt passes freely through bone or rest of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by any means.

Erysipelas, Rheumatism and Scorbuitic Humours.

No remedy has ever done so much for the cure of disease of the Skin whatever form they may assume, as this Ointment. Scoury, Sore Head, Scrofula, or Erysipelas cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds & Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings and tumours. Professor Holloway has dispatched to the East, large shipments of the Ointment to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

Piles and Fistulas.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Table with two columns: Bad Legs, Bad Breasts, Burns, Bunions, Bite of Mosquitoes and Sand Flies, Coco-bay, Chiego-foot, Chibbians, Chapped hands, Corns (Soft), Cancers, Contracted and Stiff Joints, Elephantiasis, Fistulas, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Scalds, Sore Nipples, Sore-throats, Skin-diseases, Scoury, Sore-heads, Tumours, Ulcers, Wounds, Yaws.
