

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR...

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value...

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day...

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

Directions for Use.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful.

The best and cheapest Family Medicine in the world. DR. ROBERTS' COMPOUND SARSAPARILLA PILLS.

An alterative, Tonic, Diuretic and mild Cathartic.

PRICE 25 CENTS PER BOX, CONTAINING 50 PILLS. Each box contains fifty pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warranted much superior in the cure of various diseases.

THE astonishing success which has attended the use of Dr. Roberts Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly Nature's Own Remedy,

and that they will cure all curable diseases, quicker and more pleasantly than any other medicine ever known. The Pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner), but sufficiently cathartic to gently assist nature, without purging unnecessarily,

which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our ablest physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general Family Medicine unequalled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the liver and stomach, viz., erysipelas, scrofula or king's evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore, weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhoea and dysentery, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and nervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate and purify the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are pleasant to the palate, and produce no nausea, uneasiness or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit.

We ask no person to take our word as to the merits of the medicine, but to call on the agent and purchase a box, and if on trial it does not give the most perfect satisfaction, they can return the box and receive the money paid for the same. Purchasers will be particular to ask for Dr. Roberts' Compound Sarsaparilla Pills, and observe that the green wrapper on each box has a fac simile of the signature of Jos. Roberts, M. D., and C. P. Fay, and to purchase none others.

Sold at Wholesale, by J. D. NASH, and at Retail by all the principal Druggists in Halifax, N. S. October 10
