Gerry's Pectoral Tablets.

HIS elegant preparation of Gerry, suffered to dissolve on the tongue, has its active principles at once absorbed by the capillaries and sent direct to the lungs where without delay it commences a healing process. How much better than those so-called remedies which only elog the stomach and create new diseases.

DYSPEPSIA MANUFACTURERS.

UNDREDS of awful dyspeptic cases have been brought on by loading the stomach with medicines intended to heal the lungs. How absurd is this mode of treatment; and yet it is a fact that the doctors advo-cate it. In all cases of lung and bronchial disease, the organs affected should be healed without the remedies becoming weakened or useless by traveling the stomach and intestines. Gerry's Pectoral Tablets go at once from the mouth to the lungs, and effect almost certain. cures.

CLEAN, WHITE AND BEAUTIFUL PRE A PARATION for promoting the growth, luxuriance and beauty of the Hair-removing dandruff, scales and and beauty of the Hair—removing dandruff, scales and scurf,—unequalled for keeping the Hair moist, impart-ing to it a rich silky softness and highly beautiful lustre. Soothing and agreeable properties will be found re-markable. It is unlike any of the Aleoholic and Oil preparations so commonly used for the Hair. Its superiority over all Hair preparations consists in its drying and heating as the alcoholic preparations are; and being free of the greasy qualities of marrow, oils, &c. Its power to remove the glutinous coating which obstructs the pores of the skin when unhealthy, and which prevent the follicles from exuding an oily sub-stance necessary to the natural moisture, beauty and stance necessary to the natural moisture, beauty and growth of the Hair is unequalled.

THE " SEBASTOPOL" OF DISEASE.

TINE ALLIES have made great blunders in the . Crimea, but not greater than are every day made by doctors, who, to dislodge the enemy Consumption from the lungs, throw immense quantities of ammunition, in the shape of powders and pills into the stomach. They often seriously damage the latter organ, but fail to operate on the former. Now the Pectoral Tablets go directly to the seat of mischief, and the whole tribe of lung diseases, Asthmas, Coughs, and sore throat, are quickly subdued. Price one shilling sterling, at Morton's Medical Warehouse.

Why are we Sick. It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the

KENNEDY'S Medical Discovery THE GREATEST OF THE AGE.

R. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Fimple. He has tried it in over eleven hundred cases, and never failed except in two. He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of ervsipelas.

One to two bottles are warranted to cure all humor in the eves.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One, bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two or three bottles are warranted to cure the most desperate cases of rheumatism.

Three or four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the very worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day; as that a common weed, growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands about it, suiting some cases, but not yours. He has peddled over a thousand bottles of it in the vicinity of Beston, and knows the effects of it in every case. It has al ready done some of the greatest cures ever done in Massachucetts. He gave it to children a year old ; to old people of sixty; and has seen poor, puny looking children, whose fiesh was soft and flabby, restored to a perfect state of health by one bottle.

'I'o those who are subject to a sick headache, one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound, it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed-they always dissapear in from four days to a week. There is never a bad result from it-on the conlike a new person. I heard some of the most extravaz
