ALL HAIL!!! Something for the Million!!! PROF. WOOD'S HAIR RESTOATIVE.

WE CALL THE ATTENTION OF ALL, OLD AND YOUNG, to this wonderful preparation, which turns back to its original color, gray hair—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty.

WATERTOWN, Mass., May 1, 1855. PROF. O. J. WOOD; Allow me to attest the virtues and magic powers of your Hair Restorative. Three months since, being exceedingly gray, I purchased and soon commenced to use, two bottles; and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off, now became soft and glossy, and it ceased falling; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before, and now, I not only look but feel young again.

NEW YORK, Oct. 2, 1855. PROF. O. J. WOOD.—Dear Sir: After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied it is decidedly the best preparation before the public. It at once removed all the dandruff and unpleasant itching from the scalp, and has restored my hair naturally, and I have no doubt, permanently so.

I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effects. It restored my hair where it had fallen off; it cleans the head and renders the hair soft and smooth—much more so than oil.

MARY A. ATKINSON, Louisville, Nov. 1, 1855. STATE OF ILLINOIS, Carleisle, June 27, '55. I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought prematurely gray, but by the use of the "Restorative," it has resumed its original color, and, I have no doubt, permanently so.

[From the Washington Star.] Among the many preparations now in use for the restoring, preserving and beautifying the hair, there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the States. This preparation possesses the most invigorating qualities, and never fails in producing the most happy results when applied according to directions. We refer our readers to the advertisement for a few of the innumerable certificates which have been sent by parties, who have been benefited by it, and who feel happy in giving testimony to its wonderful effects produced on them.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

Brimfield, Mass., 20th Dec., 1855. DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

AMOS LEE, Esq., of Monterey, Pa., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks, took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

A. A. RAMSAY, M. D., ALTON, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

ORLANDO SHELBY, of Summerville, S. C., writes: "I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily falling, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We tried his kindness, as we do your skill, for she has recovered from that day. She is not yet a strong man to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard, ORLANDO SHELBY, of Summerville, S. C."

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been used their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful in their operation. Their penetrating properties stimulate the vital energies of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the full humors which breed and grow distemper, stimulate the weak and disordered organs into their natural action, and impart healthy tone with strength to the whole system.

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full stomach, Nausea, Indigestion, Morbid irritation of the Bowels, and Pain arising from Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrophulous or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Nourishment and Nervous Irritability, Benumbing of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.
