THE GREATEST MEDICAL DISCOVERY OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HYDOR;

FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE

HE has tried it in over 1100 cases, and never failed except in two cases, (both tender humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

- Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two to three bottles will cure the system of bilis. Two bottles are warranted to cure the worst canker in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst case of ringworm. Two to three bottles are warranted to cure the most desperate cases of rheumatism. Three to four bottles are warranted to cure the salt rheum. Five to eight bottles will cure the worst cases of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this heretofore that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the vari us diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c. the discovery has done more good than any medicine ever known.

No change of diet ever necessary. Eat the best you can get and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

A MARVELLOUS REMEDY! For a Marvellous Age!!

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by any means.

Erysipelas, Rheumatism and Scrofulic Humours.

No remedy has ever done so much for the cure of disease of the Skin whatever form they may assume, as this Ointment. Scary, Sore Heads, scrofula, or Erysipelas cannot long withstand its influence. The inventor has travelled over many parts of the globe visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds & Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of a joint, even of 20 years' standing.

Fits and Fistulas.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Corns (Soft)	Rheumatism
Bad Breasts	Cancers	Scalds
Burns	Contracted and	Sore Nipples
Rasions	Stiff Joints	Sore throats
Rite of Mos-	Erysipelas	Skin-diseases
quitos and	Fistulas	Scurvy
Sand Flies	Gout	Sore-heads
Coca bay	Glandular Swel-	Tumours
Chiego-foot	ings	Ulcers
Chilblains	Lumbago	Wounds

AYER'S Cathartic Pills, (SUGAR COATED)

CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read the Effects, and Judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach,

DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a full stomach, which it cleanses at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect, ED. W. PREBLE, Clerk of Steamer Courier.

Bilious Disorders and Liver Complaints.

DR. J. C. AYER: Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctor'd at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctor bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, J. Amherst.

Indigestion and Impurity of the Blood.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HENNE.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcers on her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA NORRIDGE.

Rheumatism, Neuralgia, and Gout.

HONORED SIR: I should be ungrateful for the cure your pills has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

For Dropsy, Plethora, or kindred Com complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Through every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it as widely known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities and nations which have not among them some living trophy of its victory over the most dangerous and deadly disease of the human race. It is the most powerful and safe remedy yet known to man for the female and dangerous diseases of the pulmonary organs; it is the pleasantest and safest remedy that can be employed by the faint and young persons. Parents should have it in their houses, and have abundant grounds to believe that the Cherry Pectoral saves more lives by the cure of the consumptive than any other remedy. Keep it by you, and cure your colds while they are curable; nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away.

All know the dreadful fatality of lung disease, and do more than assure them it is still made the less it can be. We spare no pains to give you full and true information of the most perfect and safe remedy that you can rely on for the best agent which our skill can furnish for their cure.

PREPARED BY DR. J. C. AYER, Analytical and Analeptical Chemist, Lowell, Mass. AND SOLD BY

MORTON & COGSWELL, Halifax; Dr. E. F. Richardson, Windsor; G. S. CHOCOMAX, Liverpool, &c. by all Dealers in Medicines throughout the Province. August 15.
