AYER'S Cathartic Pills,

(SUGAR COATED) ALL MADE TO CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and Judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach, Bilious Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, WASHINGTON, D.C., Feb. 7, 1856. SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M.D., Physician of the Marine Hospital.

Dysentery, Relic, and Worms. POST OFFICE, HARTLAND, ILL. CO., Mich., Nov. 16, 1855. DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Physician.

Indigestion and Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston. DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARREN, WYOMING CO., N. Y., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M.D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORBRIDGE.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Johnson, of the Methodist Episc. Church. PILLSBURY, N. H., SATURDAY, GA., Jan. 6, 1856. HONORABLE SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BOSTON ROOM, LA., 5 Dec., 1855. DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIBELL.

For Dropsy, Plethora, or kindred Complaints, repairing an active purge, they are an excellent remedy. For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual. Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alternative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous disease of the throat and lungs. While it is the most powerful antiseptic yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unperceived. We have abundant grounds to believe the Cherry Pectoral saves more lives by the consumptions it prevents than those it cures. Keep it by you, and our your-side while they are curable, nor neglect them until no human skill can master the insidious cancer that, fastened on the vitals, cuts your life away.

All know the dreadful fatality of lung disorders, and as they see the virtue of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

PREPARED BY DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. AND SOLD BY MORTON & COGSWELL, Halifax; DR. E. F. WADING, Windsor; G. S. CONCOMBE, Liverpool; and all Dealers in Medicine throughout the Provinces. August 15.

THIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c. By various experiments he at length discovered a preparation which answered his most sanguine expectations, and its peculiar virtues becoming known to his friends, he was induced by them to prepare it for general use. Since its first introduction to the public some important additions and improvements have been made in its composition, increasing its value and making it applicable to a greater number of diseases, especially to those of the stomach and bowels, and it is now used internally with, if possible, greater success than Externally.

DYER'S Healing Embrocation

Is a perfect pain destroyer and an Invaluable Remedy for Rheumatism, Cuts, Wounds, Scalds, Burns, Bruises, Cholera Morbus, Diarrhoea, Sore Throat, Swellings, Cramp, &c. We know its true value experimentally, and do not hesitate to recommend it as superior to any other Medicine for similar purposes, and we are willing at any time to refund the money, if it does not give entire satisfaction, or possess all the virtues we ascribe to it. Be sure and get the genuine. A. H. FIELD, (Successor to C. Dyer, Jr.) SOLE PROPRIETOR AND MANUFACTURER, Providence, R. I.

ALL HAIL!!! Something for the Million!!! PROF. WOOD'S HAIR RESTORATIVE.

WE CALL THE ATTENTION OF ALL, OLD AND YOUNG, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call, then upon the bald, the gray, or diseased in scalp to use it; and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

WATERTOWN Mass., May 1, 1855. PROF. O. J. WOOD; Allow me to attest the virtues and magic powers of your Hair Restorative. Three months since, being exceedingly gray, I purchased and soon commenced to use, two bottles; and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off now became soft and glossy, and it ceased falling; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before, and now, I not only look but feel young again. Respectfully yours, etc., CHARLES WHITNEY.

NEW YORK, Oct. 2, 1855. PROF. O. J. WOOD.—Dear Sir: After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied it is decidedly the best preparation before the public. It at once removed all the dandruff and unpleasant itching from the scalp, and has restored my hair naturally, and I have no doubt, permanently so. You have permission to refer to me, all who entertain any doubt of its performing all that is claimed for it. MISS FECKS, 26 1/2 Greenwich Av.

I have used Professor O. J. Wood's Hair Restorative and have admired its wonderful effects. It restored my hair where it had fallen off; it cleans the head and renders the hair soft and smooth—much more so than oil. MARY A. ATKINSON Louisville, Nov. 1, 1855.

STATE OF ILLINOIS, Carlisle, June 27, '55 I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought prematurely gray, but by the use of the "Restorative," it has resumed its original color, and I have no doubt, permanently so. SIDNEY BREESE, Ex-Senator United States.

[From the Washington Star.] Among the many preparations now in use for restoring, preserving and beautifying the hair, there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the States. This preparation possesses the most invigorating qualities, and never fails in producing the most happy results when applied according to directions. We refer our readers to the advertisement for a few of the innumerable certificates which have been sent by parties, who have been benefited by it, and who feel happy in giving testimony to its wonderful effects produced on them.
