MESSRS. FLEMING BROS.

IF Gentlemen-Having experienced the beneficial effects of Dr. M'Lane's Celebrated Liver Pills, prepared by you, I take great pleasure in recommending them to the public. I feel warranted in saying, that they are a certain cure for liver complaints and all bilious diseases, no matter how difficult or long standing. I myself was afflicted with this dreadful disease for over two years, and oh ! how thankful I am that I heard of these Pills. My oldest boy, a short time since, cut his hand very severely in two places, with glass. I applied the Embrocation ; the next day the soreness was all gone, and in a few days the wounds were entirely cured. I can confidently recommend it as a superior article. CHARLES V. BLIVEN. MELANCHOLY DEATH. - An inquest was held a Bridgeport, on Tuesday last, on view of the ody of James Shen, of that place, found dead on the road leading from Sydney to Bridgeport, and within two miles of his home, on the preeding day. The verdict returned by the jury was-"Died by the visitation of God." The infortunate deceased left town on Saturday evening last with his horse and sleigh, unnecompanied by any person. The presumption is, that having got out of the steigh, for the urpose of keeping himself warm, by walking he fell down, and being overcome by the severe cold of the night, there perished.
