#### THE GREATEST MEDICAL DISCOVERY OF THE AGE.

Dr. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

### EVERT KIND OF HUNDE:

FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE

E has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore

One to three bottles will cure the worst kind of pim-

Two to three bottles will cure the system of biles. Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst One to two bottles are warranted to cure all humor

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst

Two to three bottles are warranted to cure the most desperate cases of rheumatism. Three to four bettles are warranted to cure the salt

Five to eight bottles will cure the worst cases of

A benefit is always experienced from the first bottle. and a perfect cure is warranted when the above quantity is taken

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its va'ue has never been known until I discovered it in 1846-second, that it hould cure all kinds of humor

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. 'I here is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors-but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits-a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Eide, Diseases of the Spine, and par ticularly in diseases of the Kidneys, &c. the discovery has done more good than any medicine ever known. No change of diet ever necessary. Est the best you can get, and enough of it.

DIRECTIONS FOR USE .- Adults one table spoonfu per day-Children over ten years dessert spoonful-Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

# PECTORA

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMPIELD, Mass., 20th Dec., 1855. DE. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these EBEN KNIGHT, M.D.

A. B. MORTLEY, Esq., of Urroa, N. Y., writes: "I have used your Program myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. SPRINGFIELD, MISS., Feb. 7, 1880. BROTHER AYER: I will cheerfully certify your Pactoral is the best remedy we possess for the cure of Whooping Chugh, Cross, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 3d Jan., 1856; "1 had's tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Preventaby the advice of our clergyman. The first dose relieved the sereness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the chessest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1836.

Size: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROS Co., Iowa, writer Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PROTORAL for giving case and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects uses trial.

Consumption.

Probably no one remedy has ever been known which cared so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PROTORAL affords retief and comfort.

ASTOR HOUSE, NEW YORR CITY, March 5, 1806. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to in-form you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours, with gratitude and regard. Yours, with gratitude and regard.

ORLANDO SHELBY, OF SHELSTYBEE Chasumptives, do not despair till you have tried Arm's Comar

Cures have been made which surpass belief were they not substantiated by men of such available resition and character at the stantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assumence of their conviction that my Preparations contribute in prensely to the relief of my afflicted, suffering fellow-men.
