AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec. 1856. Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORLEY, Esq., of UTAH, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy." Croup, Whooping Cough, Influenza. BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTREY, Ia., writes, 2d Jan., 1856: "I had a tedious influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRAM CONKLIN, M. D.

A. A. RAMSEY, M. D., ALBION, MONROE Co., IOWA, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable." We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASOR HOUSE, NEW YORK CITY, March 5, 1856. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you that your Cherry Pectoral has done for my wife, she had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily falling, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard, ORLANDO SHELBY, of SHELBYVILLE.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate the fish or disordered organs into their natural action, and give the healthy tone which strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Care has been made which surpassed belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men. The Agents below named are pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—

Constipation, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom. Flatulency, Loss of Appetite, all Ulcerous and Catarrhal Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it. Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. Price, 25 Cts. per Box. Five Boxes for \$1. SOLD BY MORTON & COGSWELL, Halifax; Dr. F. F. BRADING, Windsor; G. S. CROSCOMB, Liverpool; and by all Dealers in Medicine throughout the Provinces. August 15.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR; FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder hurricanes.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two to three bottles will cure the system of bile. Two bottles are warranted to cure the worst canker in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst case of ringworm. Two to three bottles are warranted to cure the most desperate cases of rheumatism. Three to four bottles are warranted to cure the salt rheum. Five to eight bottles will cure the worst cases of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters. In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected. Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have. I know of several cases of Dropsy, all of those aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c. the discovery has done more good than any medicine ever known. No change of diet ever necessary. Eat the best you can get, and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day.—Children over ten years dessert spoonful.—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. HAY, 15 & 17, Market Square, PORTLAND, MAINE, to whom all orders should be addressed. Sold by respectable Druggists throughout the United States, and British Provinces. Price \$1.00.

JONAS WHITCOMB'S REMEDY FOR ASTHMA,

ROSE COLD, HAY FEVER, &c.

THIS preparation is worthy the attention of all who suffer from the above named distressing complaints. The success which has attended its use has induced the proprietors to publish some account of its wonderful properties, and to offer it for the benefit of those afflicted with Asthma. The late JONAS WHITCOMB, of Boston, so well known and so universally esteemed for his sterling integrity and generous disposition, visited Europe a few years since for the benefit of his health, which was much impaired by frequent attacks of

SPASMODIC ASTHMA.

While in Germany an eminent physician who became interested in his case, promised him relief. He followed the treatment ordered, and to his surprise and joy his asthma almost instantly disappeared. He procured the recipe which had accomplished so much for him, brought it with him to this country, and it became the property of the present proprietors. Within the past two years this remedy has been used in upwards of one thousand of the worst cases in Boston and its vicinity, with astonishing and uniform success, and it is now offered to the public with full confidence in its merits. It contains no poisonous or injurious properties whatever, and an infant may take it with perfect safety.

PREPARED ONLY BY JOSEPH BURNETT & Co. 41 TREMONT STREET, BOSTON, to whom orders may be addressed.

Sold by J. NAYLOR, MORTON & COGSWELL, and by Druggists generally, throughout the United States and Canada. July 8. 3 m.
