CLEANSE THE BLOOD AND CURE THE SICE. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach. DB. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they claanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect,

ED. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, WASHINGTON, D.C., 7 Feb., 1856.
SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathertic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that ergan. Indeed, I have seldom found a case of bilious disease so obstinate that it did not ly yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

Post Office, Hartland, Liv. Co., Mich., Nov. 16, 1855.

Dr. Ayer: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twents dollars doctors. while others around us paid from five to twenty dollars doctors bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, P. stmaster.

Indigestion and Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston. Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES. WARSAW, WYOMING Co., N. Y., Oct. 24, 1866. DEAR SIR: I am using your Cathartic Pfils in my practice, and

and them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Forwarding Merchant of St. Louis, Feb. 4, 1866. Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her kands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pumples on her skin and in her hair. After our child was cured,

she also tried your Pills, and they have cured her. Rheumatism, Neuralgia, and Gout. PULAREI HOUSE, SAVANNAH, GA., Jan. 6, 1866. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold set-tled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Ealtimore, Br. Mackonzie, I tried your Pills. Their effects were slow, but sure. By per-severing in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., & Dec., 1855. Dn. AYER: I have been entirely cured by your Pills of Rheu-matic Gout — a painful disease that had afflicted me fir years. VINCENT SLIDELL.

AIIIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c. By various experiments he at length discovered a preparation which answered his most sanguine expectations, and its poculiar virtues becoming known to his friends, he was

induced by them to prepare it for general use.

Since its first introduction to the public some important additions and improvements have been made in its composition, increasing its value and making it spplicable to a greater number of diseases, especially in those of the stomach and bowels, and it is now used Internally with, if possible, greater success than Externally.
