WE mean **GERRY'S PECTORAL TABLETS** for
 Coughs and Colds, which, slowly dissolved in
 the mouth, directly act on the lungs and bronchial
 tubes when diseased. The common practice has
 hitherto been to pour large doses of physic into the
 stomach, thereby not only losing their effects, but in-
 ducing dyspepsia, and other diseases of the digestive
 organs. We say, try them.

PROFESSOR WOOD'S
Hair Restorative,
It has worked Miracles.

THAT ALL THE BALD AND GRAY CAN BE
 restored perfectly to original growth, and color so
 far as their locks are concerned does not admit of
 doubt; besides it will cure every possible disease of
 the scalp, whether developed as dandruff, itching or
 in the shape of cutaneous eruptions—even scald-head
 —and in no possible case will it fail of curing as if by
 magic, nervous or periodical head-ache, and if used
 twice a week by the young regularly, it will preserve
 the color, and keep the hair from falling, to any im-
 aginable age. Read and judge.

Millford, Worcester Co., Mass., Nov. 1855.
PROF. O. J. WOOD—Dear Sir: I take great pleasure
 in bearing voluntary testimony to the magic effects of
 your wonderful Hair Restorative. As far back as 1836,
 my hair commenced falling off, until the top of my
 scalp became bald and smooth as glass, and it has
 continued to fall for a great many years, notwith-
 standing I have used many celebrated preparations
 for restoration. Seeing your advertisement, I was
 induced to give your article a trial, and to my utter
 astonishment, found, after a few applications, that
 my hair became firmly set, and assumed a glossy and
 beautiful appearance; and by the time I had used a
 quart bottle, my bald head was covered over with a
 young and vigorous growth of hair, which is now from
 one to two inches in length, and growing fast.
 Yours, truly,
HENRY GOODRICH.

CHARLESTOWN, Mass., Aug. 9, 1855.
Gents:—Nothing but a duty and sympathy that I
 feel to communicate to others that are afflicted as I
 have been, would induce me to give this public ac-
 knowledgement of the benefit I have received from
 Prof. Wood's Hair Restorative. When I first com-
 menced using it, my hair was quite gray, and in spots
 entirely bald. I have now used the Restorative about
 five months, and my hair is entirely changed to its
 original color, brown, and the new hair is over three
 inches in length on the spots where it was bald. I
 have also been much gratified at the healthy moisture
 and vigor of the hair, which before was dry, and it has
 ceased to come out as formerly.
 Respectfully yours, &c.,
Mrs. R. A. STODDARD.

From Mrs. Ingalls, a well known nurse in Boston.
 Boston, Oct. 19, 1855.

GENTS:—At your request and being so highly
 pleased with the effects of the Restorative, I am free
 to state that my hair had become quite thin, and en-
 tirely white. I have for the last five years been in the
 habit of using dye, but hearing of the extraordinary
 effects of this article, I was induced to try it. My
 hair has been restored to its original thickness, and
 also to its former color, which is light brown.
 Yours respectfully,
MRS. INGALLS.

The following is from the Pastor of the Orthodox
 Church, Brookfield.

BROOKFIELD, Mass., Jan. 12, 1855.
Prof. Wood—Dear Sir:—Having made trial of your
 Hair Restorative, it gives me pleasure to say, that its
 effects have been excellent in removing inflammation,
 dandruff, and a constant tendency to itching, with
 which I have been troubled from my childhood, and
 has also restored the hair, which was becoming gray,
 to its original color. I have used no other article
 with anything like the same pleasure and profit.
 Yours truly,
J. K. BRAGO.

[From the Jersey City Telegraph]
**WHAT IS IT FOR—THIS WOOD'S HAIR RESTORA-
 TIVE?**—It is a question asked daily by hundreds.
 We answer without hesitation or fear of contradiction,
 that it is the article known which will do all it pro-
 mises for the human hair. It will renew its growth—
 it will stop its falling—it will restore its natural color!
 It is not a Hair Dye, but a speedy and efficacious Res-
 torative.

AYER'S
CHERRY
PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and
Hoarseness.

BARNFIELD, Mass., 20th Dec. 1855.
Dr. J. C. AYER: I do not hesitate to say the
 best remedy I have ever found for Coughs,
 Hoarseness, Influenza, and the concomitant
 symptoms of a Cold, is your **CHERRY PECTORAL.**
 Its constant use in my practice and my family
 for the last ten years has shown it to possess
 superior virtues for the treatment of these
 complaints.
RHEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Urica, N. Y., writes: "I have
 used your PECTORAL in my family ever since you
 introduced it, and believe it the best medicine for its
 purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a
 bottle than do without it, or take any other remedy."

Group, Whooping Cough, Influenza.
SPRINGFIELD, Mass., Feb. 7, 1856.
Brother AYER: I will cheerfully certify your PECTORAL is the
 best remedy we possess for the cure of Whooping Cough, Croup,
 and the chest disease of children. We of your fraternity in the
 South appreciate your skill, and commend your medicine to our
 people.
HIRAM CONNELL, M. D.

AMOS LEE, Esq., Montpelier, Vt., writes: "On Jan. 1854, I
 had a tedious Influenza, which confined me in four or six weeks,
 took many medicines without relief, finally tried your PECTORAL
 by the advice of our clergyman. The first dose relieved the
 cough in my throat and lungs. Less than one-half the bottle
 made me completely well. Your medicines are the cheapest as
 well as the best we can buy, and we esteem you, Doctor, and
 your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis.
WEST MANCHESTER, Pa., Feb. 4, 1856.
Sir: Your **CHERRY PECTORAL** is performing marvellous cures
 in this section. It has relieved several from alarming symptoms
 of consumption, and is now curing a man who had labored under
 an affection of the lungs for the last forty years.
HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALMON, MONROE CO., IOWA, writes,
 Sept. 5, 1856: "During my practice of many years I have found
 nothing equal to your **CHERRY PECTORAL** for giving immediate
 relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing
 proof of the virtues of this remedy is found in its effects upon
 trial.

Consumption.
 Probably no one remedy has ever been known which cured so
 many and such dangerous cases as this. Some no human aid
 can reach; but even to those the **CHERRY PECTORAL** affords re-
 lief and comfort.

ARON HORN, New York City, March 4, 1856.
Doctor AYER, Lowell: I feel it a duty and a pleasure to
 inform you that your **CHERRY PECTORAL** has done for my wife
 what had been five months laboring under the dangerous sym-
 ptoms of Consumption, from which no aid we could procure gave
 her much relief. She was steadily failing, until Dr. Strong, of
 this city, where we have come for advice, recommended a trial
 of your medicine. We bless his kindness, as we do your skill,
 for she has recovered from that day. She is not yet as strong as
 she used to be, but is free from her cough, and calls herself well.
 Yours, with gratitude and respect,
ORLANDO SHELLEY, of BRATTLEBORO.

Consumption. do not despair till you have tried **Ayer's Cherry**
PECTORAL. It is made by one of the best medical chemists in the
 world, and its cures all round us bespeak the high merits of its
 virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.
THE sciences of Chemistry and Medicine have been used
 their utmost to produce this best, most perfect purgative
 which is known to man. Innumerable proofs are given
 which show the virtues which surpass in excellence the virtues
 of any medicine, and that they will operate gently upon the system
 of all men. They are safe and pleasant to take, but powerful to
 cure. Their penetrating properties stimulate the vital activities
 of the body, remove the obstructions of its organs, purify the
 blood, and expel disease. They purge out the foul humors which
 breed and grow disease, stimulate the action of the
 organs into their natural action, and give strength to the
 strength to the whole system. Not only do they cure the every-
 day complaints of every body, but also formidable and desper-
 ate diseases that have baffled the best of human skill. While
 they produce powerful effects, they are, at the same time, in di-
 minished doses, the safest and best physic that can be employed
 for children. Being sugar-coated, they are pleasant to taste,
 and being purely vegetable, are free from any risk of harm.
 Cures have been made which surpass belief, were they not sub-
 stantiated by men of such exalted position and character as to
 forbid the suspicion of untruth. Many eminent clergymen and
 physicians have lent their names to certify to the public the
 reliability of my remedies, while others have sent me the testi-
 mony of their conviction that my preparations contribute im-
 mensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis by **Ayer's**
Almanac, containing directions for their use, and the
 causes of their cures of the following complaints:—

Costiveness, Bilious Complaints, Blemishment, Dropsy, Heart-
 burn, Headache arising from a full Stomach, Nausea, Indigestion,
 Morbid, Irritation of the Bowels, and Pain arising therefrom.
 Flatulency, Loss of Appetite, all Ulcerous and Catarrhal Dis-
 eases which require an evacuant Medicine, Scrofula or King's
 Evil. They also, by purifying the blood and stimulating the sys-
 tem, cure many complaints which it would not be supposed they
 could reach, such as Deafness, Partial Blindness, Neuralgia and
 Nervous Irritability, Derangement of the Liver and Kidneys,
 Gout, and other kindred complaints arising from a low state
 of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill
 they make more profit on. Ask for **AYER'S PILLS,** and take no
 other. No other they can give you compares with this in its
 intrinsic value or curative powers. The sick want the best and
 there is for them, and they should have it.
