LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

Why are we Sick.
It has been the lot of the human race to be weighed
down by disease and suffering. HOLLOWAY'S
PILLS are specially adapted to the relief of the
WEAK, the NERVOUS, the DELICATE, and the
INFIRM, of all climes, ages, sexes, and constitutions.

These Pills Purify the Blood.
These famous Pills are expressly combined to operate
on the stomach, the liver, the kidneys, the lungs, the
skin, and the bowels, correcting any derangement in
their functions, purifying the blood, the very fountain
of life, and thus curing disease in all its forms.

Dyspepsia and Liver Complaints.
Nearly half the human race have taken these Pills.
It has been proved in all parts of the world, that
nothing has been found equal to them in cases of dis-
orders of the liver, dyspepsia, and stomach complaints
generally. They soon give a healthy tone to those
organs, however much deranged, and when all other
means have failed.

General Debility,—Ill Health.
Many of the most despotic Governments have
opened their Custom Houses to the introduction of
these Pills, that they may become the medicine of the
masses. Learned Colleges admit that this medicine
is the best remedy ever known for persons of delicate
health, or where the system has been impaired, as its
invigorating properties never fail to afford relief.

Female Complaints.
No Female, young or old, should be without this
celebrated medicine. It corrects and regulates the
monthly courses at all periods, acting in many cases
like a charm. It is also the best and safest medicine
that can be given to children of all ages, and for any
complaint; consequently no female should be without
it.

Holloway's Pills are the best remedy known in the
world for the following Diseases:—

Table listing various ailments such as Ague, Asthma, Bilious Complaints, Rheumatism, Scrofula, etc., and their corresponding treatments.

AYER'S
Cathartic Pills,

(SUGAR COATED)
ARE MADE TO
CLEANSE THE BLOOD AND CURE THE SICK.
Invalids, Fathers, Mothers, Physicians,
Philanthropists, read their Effects,
and Judge of their Virtues.
FOR THE CURE OF
Headache, Sick Headache, Foul Stomach,
PITTSBURGH, PA., May 1, 1856.
DR. J. C. AYER: Sir: I have been repeatedly cured of the
worst headache any body can have by a dose or two of your
Pills. It seems to arise from a foul stomach, which they cleanse
at once. If they will cure others as they do me, the fact is
worth knowing.
Yours with great respect,
ED. W. FREBBLE, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.
DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb, 1856.
DR. AYER: I have used your Pills in my general and hospital
practice ever since you made them, and cannot hesitate to say they
are the best cathartic we employ. Their regulating action on
the liver is quick and decided, consequently they are an admir-
able remedy for derangements of that organ. Indeed, I have
seldom found a case of bilious disease so obstinate that it did not
readily yield to them. Fraternally yours,
ALONZO HALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.
POST OFFICE, HARTFORD, CT., Nov. 16, 1855.
DR. AYER: Your Pills are the perfection of medicine. They
have done my wife more good than I can tell you. She had been
sick and pining away for months. Went off to be doctored at
great expense, but got no better. She then commenced taking
your Pills, which soon cured her, by expelling large quantities
of worms (dead) from her body. They afterwards cured her and
our two children of bloody dysentery. One of our neighbors
had it bad, and my wife cured him with two doses of your Pills
while others around us paid from five to twenty dollars doctors'
bills, and lost much time, without being cured entirely even
then. Such a medicine as yours, which is actually good and
honest, will be prized here. GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Boston.
DR. AYER: I have used your Pills with extraordinary success
in my family and among those I am called to visit in distress.
To regulate the organs of digestion and purify the blood they
are the very best remedy I have ever known, and I can confi-
dently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.
DEAR SIR: I am using your Cathartic Pills in my practice, and
find them an excellent purgative to cleanse the system and pu-
rify the fountains of the blood.
JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter,
Tumors, and Salt Rheum.
From a Forwarding Merchant of St. Louis, Feb. 4, 1856.
DR. AYER: Your Pills are the paragon of all that is great in
medicine. They have cured my little daughter of ulcerous sores
upon her hands and feet that had proved incurable for years.
Her mother has been long grievously afflicted with blotches and
pimples on her skin and in her hair. After our child was cured,
she also tried your Pills, and they have cured her.
ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.
From the Rev. Dr. Hawley, of the Methodist Epis. Church.
PULASKI HOUSE, SAVANNAH GA., Jan. 6, 1855.
HONORABLE SIR: I should be ungrateful for the relief your skill
has brought me if I did not report my case to you. A cold set-
tled in my limbs and brought on excruciating neuralgic pains,
which ended in chronic rheumatism. Notwithstanding I had
the best physicians, the disease grew worse and worse, until, by
the advice of your excellent agent in Baltimore, Dr. Mackenzie,
I tried your Pills. Their effects were slow, but sure. By per-
sisting in the use of them I am now entirely well.

SENATE CHAMBER, BAYON ROUGE, LA., 5 Dec., 1855.
DR. AYER: I have been entirely cured by your Pills of Rheu-
matic Gout—a painful disease that had afflicted me for years.
VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Com-
plaints, requiring an active purge, they are an excellent
remedy.
For Costiveness or Constipation, and as a
Dinner Pill, they are agreeable and effectual.
Fits, Suppression, Paralysis, Inflammation,
and even Deafness, and Partial Blindness, have been
cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although
a valuable remedy in skillful hands, is dangerous in a public pill,
from the dreadful consequences that frequently follow its incau-
tious use. These contain no mercury or mineral substance
whatsoever.
AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUEN-
ZA, BRONCHITIS, WHOOPING COUGH,
CROUP, ASTHMA, INCIPENT
CONSUMPTION,

and for the relief of consumptive patients in advanced stages
of the disease.
We need not speak to the public of its virtues. Throughout
every town, and almost every hamlet of the American States,
its wonderful cures of pulmonary complaints have made it al-
ready known. Nay, few are the families in any civilized coun-
try on this continent without some personal experience of its
effects; and fewer yet the communities any where which have
not among their sons and daughters some of its victims. It is the
most powerful antidote yet known to man for the formid-
able and dangerous disease of the pulmonary organs. It is also
the pleasantest and safest remedy that can be employed for in-
fants and young persons. Parents should have it in store
against the insidious enemy that steals upon them unprepared
to meet it. We have abundant grounds to believe the Cherry Pectoral
saves more lives by the consumptions it prevents than those it
cures. Keep it by you, and cure your child while they are cur-
able, nor neglect them until no human skill can master the in-
extinguishable canker that fastened on the vitals, ends your life away.
All know the dreadful fatality of lung abscesses, and as they
grow too the virtues of this remedy, we need not do more than
secure them. It is still made the best it can be. We spare no
cost, no care, no toil to produce it the most perfect possible, and
thus afford those who rely on it the best agent which our skills
can furnish for their cure.

THE GREATEST
MEDICAL DISCOVERY
OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered
in one of our common pasture weeds a
remedy that cures
EVERY KIND OF HUMOR;
FROM THE WORST SCROFULA DOWN TO A
COMMON PIMPLE

HE has tried it in over 1100 cases, and never failed
except in two cases, (both thunder humor.) He
has now in his possession over two hundred certificates
of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore
mouth.
One to three bottles will cure the worst kind of pim-
ples on the face.
Two to three bottles will cure the system of bilie.

Two bottles are warranted to cure the worst canker
in the mouth and stomach.
Three to five bottles are warranted to cure the worst
case of erysipelas.
One to two bottles are warranted to cure all humor
in the eyes.
Two bottles are warranted to cure running of the
ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and
running ulcers.
One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the worst
case of ringworm.
Two three bottles are warranted to cure the most
desperate cases of rheumatism.
Three to four bottles are warranted to cure the salt
cheum.
Five to eight bottles will cure the worst cases of
scrofula.

A benefit is always experienced from the first bottle,
and a perfect cure is warranted when the above quan-
tity is taken.
Reader, I peddled over a thousand bottles of this in
the vicinity of Boston. I know the effect of it in every
case. So sure as water will extinguish fire, so sure will
this cure humor. I never sold a bottle of it but that
sold another; after a trial it always speaks for itself.
There are two things about this herb that appears to me
surprising; first that it grows in our pastures, in some
places quite plentiful, and yet its value has never been
known until I discovered it in 1846—second, that it
should cure all kinds of humor.

In order to give some idea of the sudden rise and
great popularity of the discovery, I will state that in
April, 1853, I peddled it, and sold about six bottles per
day—in April, 1854, I sold over one thousand bottles
per day of it.

Some of the wholesale Druggists who have been in
business twenty and thirty years, say that nothing in
the annals of patent medicines was ever like it. There
is a universal praise of it from all quarters.
In my own practice I always kept it strictly for im-
mors—but since its introduction as a general family
medicine, great and wonderful virtues have been found
in it that I never suspected.

Several cases of epileptic fits—a disease which was
always considered incurable, have been cured by a few
bottles. O what a mercy if it will prove effectual in
all cases of that awful malady—there are but few who
have seen more of it than I have.

I know of several cases of Dropsy, all of them aged
people cured by it. For the various diseases of the
Liver, Sick Headache, Dyspepsia, Asthma, Fever, and
Ague, Pains in the Side, Diseases of the Spine, and par-
ticularly in diseases of the Kidneys, &c., the discovery
has done more good than any medicine ever known.
No change of diet ever necessary. Eat the best you
can get and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful
per day—Children over ten years dessert spoonful—
Children from five to eight years, tea spoonful. No
directions can be applicable to all constitutions, take
sufficient to operate on the bowels twice a day.
