ALL HAIL!!! Something for the Million!!! PROF. WOOD'S HAIR RESTORATIVE.

WE CALL THE ATTENTION OF ALL OLD AND YOUNG, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty.

WATERTOWN Mass., May 1, 1855.

PROF. O. J. WOOD: Allow me to attest the virtues and magic powers of your Hair Restorative. Three months since, being exceedingly gray, I purchased and soon commenced to use, two bottles; and it soon began to tell in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off now became soft and glossy, and it ceased falling; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before, and now, I not only look but feel young again.

Respectfully, yours, etc., CHARLES WHITNEY.

NEW YORK, Oct. 2, 1855.

PROF. O. J. WOOD,—Dear Sir: After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied it is decidedly the best preparation before the public—it at once removed all the dandruff and unpleasant itching from the scalp, and has restored my hair naturally, and I have no doubt, permanently so.

You have permission to refer to me, all who entertain any doubt of its performing all that is claimed for it. MISS FEEKS, 26 1/2 Greenwich Ay.

I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effects. It restored my hair where it had fallen off; it cleans the head and renders the hair soft and smooth—much more so than oil.

MARY A. ATKINSON Louisville, Nov. 1, 1855.

STATE OF ILLINOIS, Carlisle, June 27, '55 I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought prematurely gray, but by the use of the "Restorative," it has resumed its original color, and, I have no doubt, permanently so.

SIDNEY BREESÉ, Ex-Senator United States.

Among the many preparations now in use for the restoring, preserving and beautifying the hair, there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the States. This preparation possesses the most invigorating qualities, and never fails in producing the most happy results when applied according to directions. We refer our readers to the advertisement for a few of the innumerable certificates which have been sent by parties, who have been benefited by it, and who feel happy in giving testimony to its wonderful effects produced on them.

AYER'S Cathartic Pills,

(SUGAR COATED.) ARE MADE TO CLEANSE THE BLOOD AND CURE THE SICK Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach, PITTSBURGH, Pa., May 1, 1856.

Dr. J. C. AYER: Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

ED. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb, 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ.

ALONZO BALL, M. D., Physician of the Marine Hospital, Post Office, HARTLAND, Liv. Co., Mich., Nov. 16, 1855.

Dr. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better.

GEORGE J. GRIFFIN, Patmaster.

Indigestion and Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston.

Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Physician, Merchant of St. Louis, Feb. 4, 1856.

Dr. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years.

ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hawks, of the Methodist Epis. Church, PULASKI HOUSE, SAVANNAH, Ga., Jan. 6, 1856.

HONORABLE Sir: I should be grateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism.

VINCENT SLIDELL.

SENATE CHAMBER, BAYON ROUGE, LA., 5 Dec, 1855.

Dr. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.

For Dropsy, Plethors, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use.

These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it almost known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs.

While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unperceived.

We have abundant grounds to believe the CHERRY PECTORAL saves more lives by its prevention than those it cures. Keep it by you, and care your colds while they are curable, nor neglect them until no human skill can master the insupportable canker that fastened on the vitals, cuts your life away.

All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them—it is still unique the best it can be. We spare no cost, no care, no toll to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
