HOLLOWAY'S PILLS.

Why are we Sick.

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

These Pills Purify the Blood.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

Dyspepsia and Liver Complaints.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

General Debility.—Ill Health.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

Female Complaints.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no female should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:—

Table listing various ailments such as Ague, Rheumatism, Female Irregularities, Bilious Complaints, Fevers of all kinds, Blotches on the Skin, Fits, Bowel Complaints, Head-ache, Colic, Indigestion, Constipation of the Bowels, Jaundice, Consumption, Liver Complaints, Debility, Lumbago, Dropsy, Piles, Dysentery, Retention of Urine, Erysipelas, and others.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec, 1855. Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL in myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

BRIMFIELD, MASS., Feb. 7, 1856. BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest disease of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTREY, IA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in almost six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856. Sir: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard.

ORLANDO SHELBY, OF SHELBYVILLE. Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate the system, and give strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in dissipated doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom. Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Headache, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.

Professor O. J. Woods' HAIR RESTORATIVE,

FOR PRODUCING HAIR ON BALD HEADS, AND RESTORING

GREY HAIR TO ITS NATURAL COLOR.

THIS ASTONISHING AND UNEQUALLED PREPARATION HAS NEVER FAILED TO PRODUCE A growth on Bald Heads, when used according to the direction, and turn hair back to its original color, after having become gray and reinstated it in all its original health, lustre, softness and beauty. Removes at once all scurf, dandruff and unpleasant itching, scrofula, eruptions and feverish heat from the scalp. It also prevents the hair from becoming unhealthy and falling off, and hence acts as a perfect

HAIR INVIGORATOR AND TONIC.

A gentleman of Boston writes to his friend in New Bedford thus: "To your inquiries, I would reply, that when I first commenced using Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose, and pulled out freely; but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to its original color, light brown, and is now free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen any thing like white hair starting from the roots: and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask. Yours, etc., July 1, 1855.

[From the Boston Herald.]

SOMETHING WORTH KNOWING.—By using Professor Wood's Hair Restorative, gray hair can be permanently restored to its original color. The subjoined certificate from Johnston & Stone, Gardiner, Maine, is but one of the many instances that are daily coming to our knowledge, of its wonderful effects. It is no longer problematical, but a self-evident truth, as hundreds in our community can testify.

GARDINER, Maine, June 22, 1855.

DEAR SIR: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind. Yours, respectfully, DANIEL N. MURPHY.

Professor O. J. Wood.

BROOKFIELD, Massachusetts, Jan. 12, 1855.

DEAR SIR—Having made a trial of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff, and a constant itching tendency with which I have been troubled from childhood; and has also restored my hair, which was becoming gray, to its original color. I have used no other article with anything like the pleasure and profit. Yours, truly, J. K. BRAGG.

Pastor of the Orthodox Church, Brookfield. Professor Wood.

[From the Missouri Democrat.]

WOOD'S HAIR DYE.—This admirable article is rapidly improving the hair. No article of a similar kind, now before the public, enjoys a better reputation as a restorative and invigorating hair tonic. Its peculiar chemical qualities have a beneficial effect upon the growth and character of the hair, giving a silky and glossy texture to that which was formerly of a coarse and dry nature. It has also, we understand, a tendency to preserve the youthful color and appearance of the hair, and destroying or counteracting the effects of age. With such recommendations in its favor, we hardly perceive how any lady or gentleman should be without so valuable an adjunct to their toilet.

DYER'S HEALING EMBROCATION

EXTERNAL AND INTERNAL REMEDY

THIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c. By various experiments he at length discovered a preparation which answered his most sanguine expectations, and its peculiar virtues becoming known to his friends, he was induced by them to prepare it for general use.

Since its first introduction to the public some important additions and improvements have been made in its composition, increasing its value and making it applicable to a greater number of diseases, especially to those of the stomach and bowels, and it is now used internally with, if possible, greater success than Externally.

DYER'S Healing Embrocation

is a perfect pain destroyer and an Invaluable Remedy for Rheumatism, Cuts, Wounds, Scalds, Burns, Bruises, Cholera Morbus, Diarrhoea, Sore Throat, Swellings, Cramp, &c.

It is indeed truly gratifying to us to receive such indisputable proofs of the value of this astonishing remedy, as are daily presented us. We know its true value experimentally, and do not hesitate to recommend it as superior to any other Medicine for similar purposes and we are willing at any time to refund the money, if it does not give entire satisfaction, or possess all the virtues we ascribe to it.

Be sure and get the genuine.
