We give in another column further extracts of letters from our friend the " Tourist." As we informed our readers before, they were intended by the writer only for private perusal, and were of course written with the freedom of correspondence with his own immediate friends. If however drowned. any of our contemporaries choose to make them objects of attack, we shall not allow that to trouble us, or prevent us making use of them or any thing else we suppose will be of interest to our readers.

We are requested to call the attention of members of the Home Missionary Board to the notice of meeting in another column. Business of great importance demands immediate attention.

DR. M'LANE'S CELEBRATED VERMIFUGE, PREPARED BY FLEMING BROS., PITTSBURGH, PA.

It has never been known to fail, and is one of the safest remedies that can be used. A friend of ours lately handed us the following statement in reference to this Vermifuge:

NEW YORK, September 25, 1852.

Gentlemen-A young lady of my acquaintance had been for a long time very much troubled with worms. I advised her to try Dr. M'Lane's Celebrated Vermifuge, prepared by Fleming Bros., of Pittsburgh, Pa. She accordingly purchased and took one vial, which caused her to discharge an unusual large quantity of worms. She was immediately relieved of all the dreadful symptoms accompanying this disease, and rapidly recovered her usual health. The young lady does not wish her name mentioned; her residence, however, is bed of a large amount of gold and Five Pound | 320 Fifth street, and she refers to Mrs. Hardie, No. 3
