A MARVELLOUS REMEDY! For a Marvellous Age!!

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured.

Erysipelas, Rheumatism and Scorbatic Humours.

No remedy has ever done so much for the cure of disease of the Skin whatever form they may assume, as this Ointment. Scabby, Sore Heads, Scrofula, or Erysipelas cannot long withstand its influence.

Sore Legs, Sore Breasts, Wounds & Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings and tumours.

Piles and Fistulas.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

AYER'S Cathartic Pills.

(SUGAR COATED.) ARE MADE TO CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach.

DR. J. C. AYER, Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. Yours, J. V. HILLES.

BITIOUS Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C. Feb. 1856. SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ.

Dysentery, Relax, and Worms.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell of. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HILLES.

Erysipelas, Scrofula, King's Evil, Tetters, Tumors, and Salt Rheum.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPENT CONSUMPTION.

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous disease of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unperceived. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the insupportable catarrh that fastens on the vitals, and your life away.

PREPARED BY DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. AND SOLD BY MORTON & COGSWELL, Halifax; DR. E. F. MORTON, Windsor; G. S. CROSCOMBE, Liverpool; and by all Dealers in Medicines throughout the Provinces. August 15.
