JONAS WHITCOMB'S
REMEDY FOR
ASTHMA,
ROSE COLD, HAY FEVER, &c.

THIS preparation is worthy the attention of all who suffer from the above named distressing complaints. The success which has attended its use has induced the proprietors to publish some account of its wonderful properties, and to offer it for the benefit of those afflicted with Asthma.
The late JONAS WHITCOMB, of Boston, so well known and so universally esteemed for his sterling integrity and generous disposition, visited Europe a few years since for the benefit of his health, which was much impaired by frequent attacks of

SPASMODIC ASTHMA.
While in Germany an eminent physician who became interested in his case, promised him relief. He followed the treatment ordered, and to his surprise and joy his asthma almost instantly disappeared. He procured the recipe which had accomplished so much for him, brought it with him to this country, and it became the property of the present proprietors. Within the past two years this remedy has been used in upwards of one thousand of the worst cases in Boston and its vicinity, with astonishing and uniform success, and it is now offered to the public with full confidence in its merits. It contains no poisonous or injurious properties whatever, and an infant may take it with perfect safety.

THIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c. By various experiments he at length discovered a preparation which answered his most sanguine expectations, and its peculiar virtues becoming known to his friends, he was induced by them to prepare it for general use.
Since its first introduction to the public some important additions and improvements have been made in its composition, increasing its value and making it applicable to a greater number of diseases, especially to those of the stomach and bowels, and it is now used internally with, if possible, greater success than Externally.

DYER'S
Healing Embrocation
Is a perfect pain destroyer and an invaluable Remedy for Rheumatism, Cuts, Wounds, Scalds, Burns, Bruises, Cholera Morbus, Diarrhea, Sore Throat, Swellings, Cramp, &c.

We know its true value experimentally, and do not hesitate to recommend it as superior to any other Medicine for similar purposes, and we are willing at any time to refund the money, if it does not give entire satisfaction, or possess all the virtues we ascribe to it.

AYER'S
R&C Cathartic Pills,
(SUGAR COATED)
ARE MADE TO
CLEANSE THE BLOOD AND CURE THE SICK.
Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and Judge of their Virtues.
FOR THE CURE OF
Headache, Sick Headache, Foul Stomach.
PITTSBURGH, Pa., May 1, 1856.
Dr. J. C. AYER: Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others who do me, the fact is worth knowing.
Yours with great respect,
ED. W. PREBLE, Clerk of Steamer Carion.
Bilious Disorders and Liver Complaints.
DEPARTMENT OF THE INTERIOR, WASHINGTON, D.C., Feb. 1856.
Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.
Fraternally yours,
ALONZO BALL, M. D., Physician of the Marine Hospital.
Dysentery, Relax, and Worms.
POST OFFICE, HARTLAND, Liv. Co., Mich., Nov. 16, 1855.
Dr. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.
GEO. J. GRIFFIN, Postmaster.
Indigestion and Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Boston.
Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.
Yours, J. V. HIMES.
WARREN, WYOMING CO., N. Y., Oct. 24, 1855.
DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.
JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.
From a Forwarding Merchant of St. Louis, Feb. 4, 1856.
Dr. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.
ASA MORGRIDGE.
Rheumatism, Neuralgia, and Gout.
From the Rev. Dr. Hawks, of the Methodist Episc. Church, PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.
HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in E. Timore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.
SENATE CHAMBER, BAYON ROUGE, LA., 5 Dec., 1855.
Dr. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.
VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.
For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.
Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.
Most of the pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,
and for the relief of consumptive patients in advanced stages of the disease.
We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wondrous cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful and safest yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colic while they are curable, nor neglect them until no human skill can master the insupportable cancer that fastened on the vitals, and your life away. All know the dreadful fatality of lung disorders, and as they grow too the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
PREPARED BY DR. J. C. AYER,
Medical and Analytical Chemist, Lowell, Mass.
AND SOLD BY
MORTON & COGSWELL, Halifax; Dr. E. F. STANDING, Windsor; G. S. CROSCOMBE, Liverpool, and by all Dealers in Medicines throughout the Province, August 15.

A MARVELLOUS REMEDY!
For a Marvellous Age!!

HOLLOWAY'S OINTMENT.
The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by any means.

Erysipelas, Rheumatism and Scrofula Humours.
No remedy has ever done so much for the cure of disease of the Skin whatever form they may assume, as this Ointment. Scrofula, Sore Heads, Scrofula, or Erysipelas cannot long withstand its influence. The inventor has travelled over many parts of the globe visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.
Sore Legs, Sore Breasts, Wounds & Ulcers.
Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sore wounds, ulcers, glandular swellings and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

Files and Fistulas.
These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.
