The machinery, &c., for the inclined planes in course of construction on the Shubenacadie Canal, has arrived, and is now landing at the Steamboat Wharf, Dartmouth. We are pleased to be able to announce that the works are progressing most satisfactorily.

A wealthy gentleman, sixty eight years of age, some time since a representative of this County in general parliament, lately walked the entire distance from Pleasant River to this town in eight hours, and returned again, after attending to his business, in about the same length of time.

NEWFOUNDLAND.—Governor Darling embarked, with his family, on board the Circassian, on the 24th. The news of his departure seems to have been received with general indifference, and his embarkation called forth no popular demonstrations, although, from public notice of the hour having been given, something of the kind seems to have been expected.

"The New Zealand journals inform us that a small immigration, but with every prospect of being a continuous one, is setting into Auckland from Nova Scotia. A few Highlanders from the latter colony having settled a few years since at Wangarei, near Auckland, have induced others of their brethren to follow, and a first instalment of two hundred and fifty souls were daily expected."

LIVER COMPLAINT.

This dangerous and often fatal disease had long baffled the skill of the most eminent physicians, when the discovery of Dr. M'Lane's Liver Pills solved the difficulty, and presented to the world the Great Specific, which has attained such wide-spread celebrity for its certainty of cure.

Symptoms of a Diseased Liver.—Pain in the right side, and sometimes in the left, under the edge of the ribs—the patient being rarely able to lie on the left; pain sometimes under the shoulder-blade, frequently extending to the top of the shoulder—often mistaken for rheumatism in the arm; sickness of stomach, and loss of appetite; bowels mostly costive, but sometimes alternate with lax; dull, heavy sensation in the back part of the head; loss of memory, with uneasiness of having neglected something; sometimes dry cough; weariness and debility; nervous irritability; feet cold or burning, and prickly sensation of skin; low spirits; lassitude, with disinclination to exercise, although satisfied it would be beneficial. In fact, patient distrusts every remedy.

Have you any, or all of these symptoms? If so, you will find a certain remedy in Dr. M'Lane's Pills. Prepared by Fleming Bros. of Pittsburgh.

Purchasers will be careful to ask for Dr. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING BROS., OF PITTSBURGH, PA. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'Lane's genuine Liver Pills, also his celebrated Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of FLEMING BROS.

Sold in Halifax by JOHN NAYLOR and WILLIAM LANGLEY. [29]

DR. J. C. AYER, the world renowned Chemist of New England, is now stopping at the Burnet house in this city. He has been making a tour of the Western States, with his scientific associates, to investigate their remedial productions, or such as he can make remedial. We notice he has been received with marked distinction by our leading citizens of the West and are rejoiced to find they have shown a proper estimate of the man who has perhaps done more for the relief of human ills than any other American.—Daily Journal, Cincinnati, O.

VALUABLE TESTIMONY IN FAVOR OF THE OXYGENATED BITTERS.

WASHINGTON, D. C., June 10.

Having made use of the Oxygenated Bitters, prepared by Dr. George B. Green, of Windsor, Vt., and from knowledge obtained of their efficacy in other cases, we cheerfully recommend them to the public, believing they will fully sustain the recommendation of the proprietor. We hope that this valuable remedy may be accessible to all the afflicted.

SAMUEL S. PHELPS, U. S. Senator from Vermont. WILLIAM UPHAM, U. S. Senator from Rhode Island. JAMES F. SIMMONS, U. S. Senator from Rhode Island. J. T. MOREHEAD, U. S. Senator, and formerly Governor of Kentucky. L. H. ARNOLD, formerly Governor of Rhode Island. Wm. WOODBRIDGE, late Governor of Michigan.

Its success in severe cases of DYSPEPSIA, ASTHMA, AND GENERAL DEBILITY OF THE SYSTEM, places it among the most wonderful discoveries in medical science, and has given it a reputation far beyond any remedy known for these complaints, in all their various forms.

HAIR RESTORATIVE.—Every one will, we think, agree with us in the opinion that the human hair is the greatest natural ornament that is possessed either by a gentleman or a lady. Just meet an apparently good looking man, for instance, in the street; you admire his features, whiskers, and general bearing; but lo! he lifts his hat in recognition of your bow, and the charm has vanished, for Iohabod is written on his bald head, and the glory has departed with the flowing locks that once flourished luxuriantly there.

Now, to prevent such a catastrophe, is within the power of every lady and gentleman; for, by using Prof. Wood's Hair Restorative, hair is not only prevented from falling off or turning gray, but the article will restore hair to bald places; and even if it has changed color and become gray, it will bring it back to its pristine beauty and luxuriance. Prof. Wood has succeeded in compounding a mixture possessed of remarkable virtues.—Waverly Magazine and Literary Gazette.

It is hard work to teach people who can learn nothing without being taught. You may, indeed, recommend—you may cite numerous instances of bad colds, headaches, catarrhs or incipient consumption—nay, even where known cases of deafness have been cured by the use of certain remedy—yet, after all, there is nothing you can say, half so convincing, as a pinch of Durno's Snuff.—Once, a Sufferer from Catarrh. Agents in Halifax, G. E. MORTON & Co.

Russia Salve, the best Ointment in the World. Reasons of its Success.

It cures Burns by a few applications. It cures Bites and Scalds instantaneously. It cures Boils with a few applications. It cures Chilblains in one day. It cures Frosted Bites in one day. It cures Stiff Joints in three days. It cures Sore Throats and Sore Lips, so prevalent among children.

Memory is refreshed, and senators, grave senators, have been reminded of their duty, by a single pinch of Durno's Catarrh Snuff. We hear of a lady out west who can't sneeze. What a luxury she loses. She should use Durno's Catarrh Snuff.

Stone's Vegetable Liquid Cathartic, as it will be found an invaluable remedy for all ordinary complaints at sea. One bottle will prove of more value than the contents of a medicine chest. It will keep in any climate, and those going long voyages will find it a certain preventative and cure for the Sourry. Agents in Halifax, G. E. MORTON & Co.
