DYER'S HEALING EMBROCATION

EXTERNAL AND INTERNAL REMEDY

THIS valuable External and Internal Remedy originated with a skillful and Scientific Chemist, who found it difficult to obtain an article that would with certainty, and in a short space of time, effect a cure of Wounds, Bruises, Cuts, Burns, &c.

Since its first introduction to the public some important additions and improvements have been made in its composition, increasing its value and making it applicable to a greater number of diseases, especially those of the stomach and bowels, and it is now used internally with, if possible, greater success than Externally.

DYER'S Healing Embrocation

is a perfect pain destroyer and an invaluable Remedy for Rheumatism, Cuts, Wounds, Scalds, Burns, Bruises, Cholera Morbus, Diarrhoea, Sore Throat, Swellings, Cramps, &c.

It is indeed truly gratifying to us to receive such indisputable proofs of the value of this astonishing remedy, as are daily presented us. We know a true value experimentally, and do not hesitate to recommend it as superior to any other Medicine for similar purposes, and we are willing at any time to refund the money, if it does not give entire satisfaction, or possess all the virtues we ascribe to it.

Be sure and get the genuine.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1856. Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EHEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Urica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. BRIMFIELD, MASS., Feb. 1, 1857. BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HILMAN CONKLIN, M. D.

AMOS LEE, Esq., MONTREAL, LA., writes, 3d Jan., 1857: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat, and the next day I was able to get up. I made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, PA., Feb. 4, 1856. Sir: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial. Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ARON HOUST, NEW YORK CITY, March 4, 1856. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Streeb, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from the most dangerous stage of the disease, and is free from her cough, and calls herself well. Yours, with gratitude and regard, ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been kind to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the system of all men. They are safe and pleasant to take, but powerful in their operation.

Their penetrating properties stimulate the vital activity of the body, remove the obstructions of the bowels, purify the blood, and expel disease. They purge out the four humors which breed and grow distemper, stimulate the action of disordered organs into their natural action, and impart healthy tone and strength to the whole system. Not only do they cure the ordinary complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. In their produce powerful effects, they may be safely employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not attested by men of such exalted position and character as to forbid the suspicion of untruth. Many only the physician and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute largely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis an American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Headache arising from a full stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Catarrhal Affections which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood, stimulating the system, cure many complaints which it would not be supposed could reach, such as Dropsy, Partial Blindness, Nervous Irritability, Displacements of the Liver and Kidneys, Gout, and other kindred Affections arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pills they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative power. The sick want the best, and there is for them, and they should have it.

Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. Price, 25 Cts. per Box. Five Boxes for \$1.

SOLD BY MORTON & COGSWELL, Halifax; Dr. K. WARDING, Windsor; G. S. CROSBY, Liverpool; or all Dealers in Medicines throughout the Province. August 15.
