AYER'S Cathartic Pills, (SUGAR COATED.)

CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read the Effects, and Judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach.

Dr. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Bilious Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1855. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Indigestion and Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston. DR. AYER: I have used your Pills with extraordinary success to my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Forwarding Merchant of St. Louis, Feb. 4, 1855. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had protracted for nearly three years. Her mother has been long and grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hovey, of the Methodist Epist. Church, PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1855. HONORABLE SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its inconsiderate use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION.

and for the relief of consumptive patients in advanced stages of the disease. We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumption it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can avert the inevitable danger that fastens on the vital, sets your life away.

All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

PREPARED BY DR. J. C. AYER, Analytical and Analytical Chemist, Lowell, Mass.

ALL HALL!!!

Something for the Million!!! PROF. WOOD'S HAIR RESTOATIVE.

WE CALL THE ATTENTION OF ALL OLD AND YOUNG, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or diseased in scalp to use it; and surely, the young will not, as they value the flowing locks, or the winking curl, ever be without it. Its praise is upon the tongue of thousands.

WATERTOWN, Mass., May 1, 1855.

PROF. O. J. WOOD; Allow me to attest the virtues and magic powers of your Hair Restorative. Three months since, being exceedingly gray, I purchased and soon commenced to use, two bottles; and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off now became soft and glossy, and it ceased falling; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before, and now, I not only look but feel young again. Respectfully, yours, etc., CHARLES WHITNEY.

NEW YORK, Oct. 2, 1855.

PROF. O. J. WOOD.—Dear Sir: After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied it is decidedly the best preparation before the public. It at once removed all the dandruff and unpleasant itching from the scalp, and has restored my hair naturally, and I have no doubt, permanently so. You have permission to refer to me, all who enter into any doubt of its performing all that is claimed for it. MISS FEEKS, 26 1/2 Greenwich Ay.

I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effects. It restored my hair where it had fallen off; it cleans the head and renders the hair soft and smooth—much more so than oil. MARY A. ATKINSON. Lonsjville, Nov. 1, 1855.

STATE OF ILLINOIS, Carlisle, June 27, '55. I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought prematurely gray, but by the use of the "Restorative," it has resumed its original color, and, I have no doubt, permanently so. SIDNEY BREESE, Ex-Senator United States.

[From the Washington Star.]

Among the many preparations now in use for the restoring, preserving and beautifying the hair, there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the States. This preparation possesses the most invigorating qualities, and never fails in producing the most happy results when applied according to directions. We refer our readers to the advertisement for a few of the innumerable certificates which have been sent by parties, who have been benefited, by it, and who feel happy in giving testimony to its wonderful effects produced on them. Try Them!

WE MEN GERRY'S PECTORAL TABLETS for Coughs and Colds, which, slowly dissolved in the mouth, directly act on the lungs and bronchial tubes when diseased. The common practice has hitherto been to pour large doses of physic into the stomach, thereby not only losing their effects, but inducing dyspepsia, and other diseases of the digestive organs. We say, try them. Price one shilling sterling by retail dealers throughout the Province, and wholesale in Halifax, by G. E. MORTON & CO., Proprietors Agents, October 15.

A MARVELLOUS REMEDY! For a Marvellous Age!!

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by any means.

Erysipelas, Rheumatism and Scorbute Humours.

No remedy has ever done so much for the cure of disease of the Skin whatever form they may assume, as this Ointment. Scabby, Sore Heads, Scrofula, or Erysipelas cannot long withstand its influence. The inventor has travelled over many parts of the globe visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds & Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings and tumours. Professor Holloway has despatched to the East, large shipments of this Ointment to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

Piles and Fistulas.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Table with 3 columns: Bad Legs, Corns (Soft), Rheumatism; Bad Breasts, Scalds, Scrofula; Burns, Contracted and Stiff Joints, Sore Nipples; Bunions, Stiff Joints, Sore throats; Bite of Mosquitoes and Sand Flies, Elephantiasis, Skin-diseases; Coco Buds, Pimples, Itching, Scabies; Chiefo-foot, Gout, Sore-heads; Chilblains, Glandular Swellings, Tumours; Chapped hands, Lumbago, Ulcers, Wounds, Yaws.
