Ayer's Pills

Are particularly adapted to derangements of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these PILLS are found to cure many varieties of disease.

Subjoined are the statements from some eminent physicians, of their effects in their practice. AS A FAMILY PHYSIC. From Dr. E. F. Cartwright, of New Orleans. "Your PILLS are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS. From Dr. Theodore Bell, of New York City. "Not only are your PILLS admirably adapted to their purpose as an aperient, but I find their beneficial effects to work upon them alone. I have cured some cases of dyspepsia and indigestion with them, which had resisted the other remedies we commonly use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them."

DYSPEPSIA - INDIGESTION. From Dr. Henry J. Knox, of St. Louis. "The PILLS you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. So peculiarly are they adapted to the diseases of the human system, that they seem to work upon them alone. I have cured some cases of dyspepsia and indigestion with them, which had resisted the other remedies we commonly use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them."

DYSENTERY - DIARRHŒA - RELAX. From Dr. J. G. Green, of Chicago. "Your PILLS have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses, for bilious dysentery and diarrhœa. Their sugar-coating makes them very palatable and convenient for the use of women and children."

INTERNAL OBSTRUCTION - WORMS - SUPPRESSION. From Mrs. E. Stuart, who practices as a Physician and Midwife in Boston. "I find one or two large doses of your PILLS, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to destroy the stomach and canal worms. They are so much the best physic we have that I recommend no other to my patients."

CONSTIPATION - COSTIVENESS. From Dr. J. P. Faughn, Montreal, Canada. "Too much cannot be said of your PILLS for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your PILLS affect that organ and cure the disease."

IMPURITIES OF THE BLOOD - SCROFULA - ERY- SIPHELA - SALT RHEUM - TETTER - TUMORS - RHEUMATISM - GOUT - NEURALGIA. From Dr. Eschell Hall, Philadelphia. "You were right, Doctor, in saying that your PILLS purify the blood. They do that. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and infuse vitality and vigor into the system. "Such remedies as you prepare are a national benefit, and you deserve great credit for them."

FOR HEADACHE - SICK HEADACHE - FOUL STOM- ACH - PILES - DROPSY - PLETHORA - PARALYSIS - FITS - &c. From Dr. Edward Boyd, Baltimore. "DEAR DR. AYER: I cannot answer you what complaints I have cured with your PILLS better than to say all that see ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your PILLS afford us the best we have, I of course value them highly."

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Ayer's Cherry Pectoral

Has long been manufactured by a practical chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy the world has ever known for the cure of all pulmonary complaints: for COUGHS, COLDS, BRONCHITIS, ASTHMA, CROUP, WHOOPING COUGH, BRONCHITIS, INFANTILE CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant to the palaces of European kings. Throughout this entire country, in every state and city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best of all remedies for diseases of the throat and lungs. In many foreign countries it is extensively used by their most intelligent physicians. If there is any dependence on what men of every station certify it has done for them; if we can trust our own senses when we see the dangerous affections of the lungs yield to it; if we can depend on the assurance of intelligent physicians, whose business is to know; in short, if there is any reliance upon any thing, then is it irrefragably proved that this medicine does cure the class of diseases it is designed for, beyond any and all other remedies known to mankind. Nothing but its intrinsic virtues, and the unmistakable benefit conferred on thousands of sufferers, could uphield and maintain the reputation it enjoys. While many inferior remedies have been thrust upon the community, have failed, and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures too numerous and remarkable to be forgotten.

SPURGEON'S GREATEST WORK.

The Saint and His Saviour. By Rev. C. H. SPURGEON. 1 vol. 12 mo. Price One Dollar. From the New York Observer.

"These pages glow with the same fervor of his extemporaneous discourses, while there is more logical and consecutive sentiment. His theme, 'Christ is all,' he treats with fullness, earnestness, scripturalness and directness, making a book that is well fitted to guide serious inquiring minds, to exhibit the Saviour in his matchless beauty to loving believers, and awaken burning desires to see him in his glory. There is freshness and novelty as well as rich experience in these pages, and we are quite sure that this volume, more than anything else, will establish Spurgeon's reputation as a sincere Christian as well as a remarkable preacher."

A new work by Dr. Wayland.

Principles & Practices of Baptists.

BY FRANCIS WAYLAND, D. D.

One Volume, 12mo., cloth. Price \$1.

From the Christian Chronicle, Philadelphia.

Dr. Wayland reviews our whole Baptist polity, comments where he sees cause for it, and reproves and suggests the remedy where he sees cause for this. All our Principles and Practices as a church he considers and discusses with great simplicity and earnestness. We hope the book will find its way into every family in every Baptist Church in the land, and should be glad to know it was generally circulated in the families of other churches.

From the North American Review.

We do not remember to have met anywhere, in the same space, so much practical wisdom on sermon making, on the delivery of sermons, and on the manner of the pulpit, as is condensed into the last fifty pages of this book.

Grace Truman; or, Love and Principle.

By Mrs. FORD. Price One Dollar.

From the Richmond Religious Herald.

"We have been borne through the pages of this book with unflagging interest. Like Theodosia Ernest, it is designed for the illustration and defense of our denominational principles; and without detracting in the slightest from the enviable reputation of that work, we do not hesitate to pronounce this more ornate in style, more artistic in plot—more thrilling in interest. It can not fail of a wide popularity and an extensive patronage." SHELDON, BLAKEMAN & CO., Publishers, 115 Nassau street, N. Y. March 17.

A MARVELLOUS REMEDY!

For a Marvellous Age!!

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or neat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by any means.

Erysipelas, Rheumatism and Scorbatic Humours.

No remedy has ever done so much for the cure of disease of the Skin whatever form they may assume, as this Ointment. Scabby, Sore Heads, Scrofula, or Erysipelas cannot long withstand its influence. The inventor has travelled over many parts of the globe visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds & Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

Piles and Fistulas.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—
