Ayer's Pills

Are particularly adapted to
derangements of the digestive
apparatus, and diseases arising
from impurity of the
blood. A large part of all the
complaints that afflict man-
kind originate in one of these,
and consequently these PILLS
are found to cure many vari-
eties of disease.
Subjoined are the statements from some eminent phys-
icians, of their effects in their practice.

AS A FAMILY PHYSIC.

From Dr. E. W. Cartwright, of New Orleans.
"Your PILLS are the prince of purges. Their excellent
qualities surpass any cathartic we possess. They are mild,
but very certain and effectual in their action on the bowels,
which makes them invaluable to us in the daily treatment
of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS.
From Dr. Theodore Bell, of New York City.
"Not only are your PILLS admirably adapted to their
purpose as an aperient, but I find their beneficial effects
upon the Liver very marked indeed. They have in my
practice proved more effectual for the cure of bilious com-
plaints than any one remedy I can mention. I sincerely
rejoice that we have at length a purgative which is worthy
the confidence of the profession and the people."

DYSPEPSIA — INDIGESTION.

From Dr. Henry J. Knox, of St. Louis.
"The PILLS you were kind enough to send me have been
all used in my practice, and have satisfied me that they are
truly an extraordinary medicine. So peculiarly are they
adapted to the disease of the human system, that they seem
to work upon them alone. I have cured some cases of dys-
pepsia and indigestion with them, which had resisted the
other remedies we commonly use. Indeed I have experi-
mentally found them to be effectual in almost all the com-
plaints for which you recommend them."

DYSENTERY — DIARRHOEA — RELAX.

From Dr. J. G. Green, of Chicago.
"Your PILLS have had a long trial in my practice, and I
hold them in esteem as one of the best aperients I have ever
found. Their alternative effect upon the liver makes them
an excellent remedy, when given in small doses, for bilious
dysentery and diarrhoea. Their sugar-coating makes them
very acceptable and convenient for the use of women and
children."

INTERNAL OBSTRUCTION — WORMS — SUPPRESSION.

From Mrs. E. Stewart, who practices as a Physician and Midwife
in Boston.
"I find one or two large doses of your PILLS, taken at the
proper time, are excellent promotics of the natural secretion
when wholly or partially suppressed, and also very ef-
fectual to cleanse the stomach and expel worms. They are
so much the best physic we have that I recommend no other
to my patients."

CONSTIPATION — COSTIVENESS.

From Dr. J. P. Faughn, Montreal, Canada.
"Too much cannot be said of your PILLS for the cure of
constipation. If others of our fraternity have found them
as efficacious as I have, they should join me in proclaiming
it for the benefit of the multitudes who suffer from that
complaint, which, although bad enough in itself, is the pro-
genitor of others that are worse. I believe costiveness to
originate in the liver, but your PILLS affect that organ and
cure the disease."

IMPURITIES OF THE BLOOD — SCROFULA — ERY-
SIPPELAS — SALT RHEUM — TETTER — TUMORS
— RHEUMATISM — GOUT — NEURALGIA.

From Dr. Eschell Hall, Philadelphia.
"You were right, Doctor, in saying that your PILLS purify
the blood. They do that. I have used them of late years in
my practice, and agree with your statements of their efficacy.
They stimulate the excretories, and carry off the impurities
that stagnate in the blood, engendering disease. They
stimulate the organs of digestion, and infuse vigour and
vigor into the system.
"Such remedies as you prepare are a national benefit, and
you deserve great credit for them."

FOR HEADACHE — SICK HEADACHE — FOUL STOM-
ACH — PILES — DROPSY — PLETHORA — PARALYSIS
— FITS — &c.

From Dr. Edward Boyd, Baltimore.
"DEAR DR. AYER: I cannot answer you what complaints
I have cured with your PILLS better than to say all that we
ever treat with a purgative medicine. I place great depend-
ence on an efficient cathartic in my daily contact with dis-
ease, and believing as I do that your PILLS afford us the best
we have, I of course value them highly.
"Most of the Pills in market contain Mercury, which,
although a valuable remedy in skilful hands, is dangerous
in a public pill, from the dreadful consequences that fre-
quently follow its incautious use. These contain no mer-
cury or mineral substance whatever."

Ayer's Cherry Pectoral

Has long been manufactured by a practical chemist, and
every ounce of it under his own eye, with invariable ac-
curacy and care. It is sealed and protected by law from
counterfeits, and consequently can be relied on as genuine,
without adulteration. It supplies the strictest remedy the
world has ever known for the cure of all pulmonary com-
plaints: for COUGHS, COLDS, HOARSENESS, ASTHMA, CON-
SUMPTION, WHOOPING COUGH, BRONCHITIS, INFANTILE CONSUMPTION, and
for the relief of consumptive patients in advanced stages
of the disease. As time makes these facts wider and better
known, this medicine has gradually become the best reli-
ance of the afflicted, from the log cabin of the American
peasant to the palaces of European kings. Throughout
this entire country, in every state and city, and indeed al-
most every hamlet it contains, CHERRY PECTORAL is known
as the best of all remedies for diseases of the throat and
lungs. In many foreign countries it is extensively used by
the most intelligent physicians. If there is any dependence
on what men of every station certify it has done for
them; if we can trust our own senses when we see the dan-
gerous affections of the lungs yield to it; if we can depend
on the assurance of intelligent physicians, whose business
it is to know; in short, if there is any reliance upon any
thing, then it is irrefragably proven that this medicine does
cure the class of diseases it is designed for, beyond any and
all other remedies known to mankind. Nothing but its in-
trinsic virtues, and the unmistakable benefit conferred on
thousands of sufferers, could originate and maintain the
reputation it enjoys. While many inferior remedies have
been thrust upon the community, have failed, and been
discarded, this has gained friends by every trial, conferred
benefits on the afflicted that can never be forgotten, and pro-
duced cures too numerous and remarkable to be forgotten.

A MARVELLOUS REMEDY!

For a Marvellous Age!!

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little
openings on the surface of our bodies. Through these
this Ointment, when rubbed on the skin, is carried to
any organ or inward part. Diseases of the Kidneys,
disorders of the Liver, affections of the Heart, Inflam-
mation of the Lungs Asthmas, Coughs and Colds, are
by its means effectually cured. Every housewife
knows that salt passes freely through bone or meat of
any thickness. This healing Ointment far more readily
penetrates through any bone or fleshy part of the living
body, curing the most dangerous inward complaints,
that cannot be reached by any means.

Erysipelas, Rheumatism and Scorbatic
Humours.

No remedy has ever done so much for the cure of
disease of the Skin whatever form they may assume,
as this Ointment. Scabby, Sore Heads, Scrofula, or
Erysipelas cannot long withstand its influence. The
inventor has travelled over many parts of the globe
visiting the principal hospitals, dispensing this Oint-
ment, giving advice as to its application, and has thus
been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds & Ulcers.

Some of the most scientific surgeons now rely solely
on the use of this wonderful Ointment, when having
to cope with the worst cases of sores, wounds, ulcers,
glandular swellings and tumours. Professor Holloway
has dispatched to the East, large shipments of this
Ointment to be used in the worst cases of wounds. It
will cure any ulcer, glandular swelling, stiffness or
contraction of the joints, even of 20 years' standing.

Piles and Fistulas.

These and other similar distressing complaints can
be effectually cured if the Ointment be well rubbed in
over the parts affected, and by otherwise following
the printed directions around each pot.

Both the Ointment and Pills should be used in
the following cases:—

Table with 3 columns: Bad Legs, Corns (Soft), Rheumatism; Bad Breasts, Scalds; Burns, Contracted and Sore Nipples; Bunions, Stiff Joints, Sore-throats; Bite of Mosquitoes and Elephantiastis, Skin-diseases; Sand Flies, Fistulas, Scoury; Coco-bay, Gout, Sore-heads; Chiego-foot, Glandular Swellings, Tumours; Chillsains, Lumbago, Ulcers; Chapped hands, Piles, Wounds; Yaws.

Sold at the Establishment of PROFESSOR HOLLOWAY, 244 Strand, (near Temple Bar,) London, and 80, Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d.; 3s. 3d.; and 5s. each Box.

There is a considerable saving by taking the larger sizes

N. B.—Directions for the guidance of Patients in every disorder, are affixed to each Box.

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
