LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

Why are we Sick.

It has been the lot of the human race to be weighed
down by disease and suffering. HOLLOWAY'S
PILLS are specially adapted to the relief of the
WEAK, the NERVOUS, the DELICATE, and the
INFIRM, of all climes, ages, sexes, and constitutions.
Professor Holloway personally superintends the manu-
facture of his medicines, and offers them to a free and
enlightened people, as the best remedy the world ever
saw for the removal of disease.

These Pills Purify the Blood.

These famous Pills are expressly combined to operate
on the stomach the liver the kidneys, the lungs, the
skin, and the bowels, correcting any derangement in
their functions, purifying the blood, the very fountain
of life, and thus curing disease in all its forms.

Dyspepsia and Liver Complaints.

Nearly half the human race have taken these Pills.
It has been proved in all parts of the world, that
nothing has been found equal to them in cases of dis-
orders of the liver, dyspepsia, and stomach complaints
generally. They soon give a healthy tone to those
organs, however much deranged, and when all other
means have failed.

General Debility.—Ill Health.

Many of the most despotic Governments have
opened their Custom Houses to the introduction of
these Pills, that they may become the medicine of the
masses. Learned Colleges admit that this medicine
is the best remedy ever known for persons of delicate
health, or where the system has been impaired, as its
invigorating properties never fail to afford relief.

Female Complaints.

No Female, young or old, should be without this
celebrated medicine. It corrects and regulates the
monthly courses at all periods, acting in many cases
like a charm. It is also the best and safest medicine
that can be given to children of all ages, and for any
complaint; consequently no female should be without it.

*Holloway's Pills are the best remedy known in the
world for the following Diseases:—*

SPURGEON'S GREATEST WORK.

The Saint and His Saviour. By REV. C. H.
SPURGEON. 1 vol. 12 mo. Price One Dollar.

From the New York Observer.

"These pages glow with the same fervor of his ex-
temporaneous discourses, while there is more logical
and consecutive sentiment. His theme, 'Christ is all,'
he treats with fullness, earnestness, scripturalness and
directness, making a book that is well fitted to guide
serious inquiring minds, to exhibit the Saviour in his
atchless beauty to loving believers, and awaken burn-
ing desires to see him in his glory. There is freshness
and novelty as well as rich experience in these pages,
and we are quite sure that this volume, more than any-
thing else, will establish Spurgeon's reputation as a
sincere Christian as well as a remarkable preacher.

SPURGEON'S LIFE. Price 60 cents.

A new work by Dr. Wayland.

Principles & Practices of Baptists.

BY FRANCIS WAYLAND, D. D.

One Volume, 12mo., cloth. Price \$1.

From the Christian Chronicle, Philadelphia.

Dr. Wayland reviews our whole Baptist polity, com-
ments where he sees cause for it, and reproves and
suggests the remedy where he sees cause for this. All
our Principles and Practices as a church he considers
and discusses with great simplicity and earnestness.
We hope the book will find its way into every
family in every Baptist Church in the land, and should
be glad to know it was generally circulated in the
families of other churches.

From the North American Review.

We do not remember to have met anywhere, in the
same space, so much practical wisdom on sermon mak-
ing, on the delivery of sermons, and on the manner of
the pulpit, as is condensed into the last fifty pages of
this book.

Grace Truman; or, Love and Principle.

By MRS. FORD. Price One Dollar.

From the Richmond Religious Herald.

"We have been borne through the pages of this book
with unflagging interest. Like Theodosia Ernest, it
is designed for the illustration and defense of our de-
nomination's principles; and without detracting in the
slightest from the enviable reputation of that work, we
do not hesitate to pronounce this more ornate in style,
more artistic in plot, more thrilling in interest. It can
not fail of a wide popularity and an extensive patronage."

SHELDON, BLAKEMAN & CO.,

Publishers, 115 Nassau street, N. Y.

March 17.

The following remedies are offered to the public
as the best, most perfect, which medical science can
afford. AYER'S CATHARTIC PILLS have been pro-
pared with the utmost skill which the medical pro-
fession of this age possesses, and their effects show
they have virtues which surpass any combination
of medicines hitherto known. Other preparations
do more or less good; but this cures such danger-
ous complaints, so quick and so surely, as to prove
an efficacy and a power to uproot disease beyond
any thing which men have known before. By re-
moving the obstructions of the internal organs and
stimulating them into healthy action, they renovate
the fountains of life and vigor,—health courses
anew through the body, and the sick man is well
again. They are adapted to disease, and disease
only, for when taken by one in health they produce
but little effect. This is the perfection of medicine.
It is antagonistic to disease, and no more. Tender
children may take them with impunity. If they
are sick they will cure them, if they are well they
will do them no harm.

Give them to some patient who has been pro-
strated with bilious complaint; see his bent-up, tot-
tering form straighten with strength again; see his
long-lost appetite return; see his clammy features
blossom into health. Give them to some sufferer
whose foul blood has burst out in scrofula till his
skin is covered with sores; who stands, or sits, or
lies in anguish. He has been drenched inside and
out with every potion which ingenuity could sug-
gest. Give him these PILLS, and mark the effect;
see the scabs fall from his body; see the new, fair
skin that has grown under them; see the late lep-
rous humors have planted rheumatism in his joints and
bones; move him, and he screeches with pain; he
too has been soaked through every muscle of his
body with liniments and salves; give him these
PILLS to purify his blood; they may not cure him,
for, alas! there are cases which no mortal power
can reach; but mark, he walks with crutches now,
and now he walks alone; they have cured him.
Give them to the lean, sour, haggard dyspeptic,
whose gnawing stomach has long ago eaten every
smile from his face and every muscle from his body.
See his appetite return, and with it his health; see
the new man. See her that was radiant with health
and loveliness blasted and too early withering
away; want of exercise or mental anguish, or some
lurking disease, has deranged the internal organs
of digestion, assimilation or secretion, till they do
their office ill. Her blood is vitiated, her health is
gone. Give her these PILLS to stimulate the vital
principle into renewed vigor, to cast out the ob-
structions, and infuse a new vitality into the blood.
Now look again—the roses blossom on her cheek,
and where lately sorrow sat joy bursts from every
feature. See the sweet infant wasted with worms.
Its wan, sickly features tell you without disguise,
and painfully distinct, that they are eating its life
away. Its pinched-up nose and ears, and restless
sleepings, tell the dreadful truth in language which
every mother knows. Give it the PILLS in large
doses to sweep these vile parasites from the body.
Now turn again and see the ruddy bloom of child-
hood. Is it nothing to do these things? Nay, are
they not the marvel of this age? And yet they are
done around you every day.

Have you the less serious symptoms of these dis-
tempers, they are the easier cured. Jaundice,
Costiveness, Headache, Sideache, Heartburn, Foul
Stomach, Nausea, Pain in the Bowels, Flatulency,
Loss of Appetite, King's Evil, Neuralgia, Gout, and
kindred complaints all arise from the derangements
which these PILLS rapidly cure. Take them perse-
veringly, and under the counsel of a good Physician
if you can; if not, take them judiciously by such
advice as we give you, and the distressing, danger-
ous diseases they cure, which afflict so many mil-
lions of the human race, are cast out like the devils
of old—they must burrow in the brutes and in the
sea. Price 25 cents per box—5 boxes for \$1.

Through a trial of many years and through every
nation of civilized men, AYER'S CHERRY PECTORAL
has been found to afford more relief and to cure
more cases of pulmonary disease than any other
remedy known to mankind. Cases of apparently
settled consumption have been cured by it, and
thousands of sufferers who were deemed beyond the
reach of human aid have been restored to their
friends and usefulness, to sound health and the
enjoyments of life, by this all-powerful antidote to
diseases of the lungs and throat. Here a cold had
settled on the lungs. The dry, hacking cough, the
glassy eye, and the pale, thin features of him who
was lately lusty and strong, whisper to all but him
CONSUMPTION. He tries every thing; but the
disease is gnawing at his vitals, and shows its
fatal symptoms more and more over all his frame.
He is taking the CHERRY PECTORAL now; it has
stopped his cough and made his breathing easy;
his sleep is sound at night; his appetite returns,
and with it his strength. The dart which pierced
his side is broken. Scarcely any neighborhood can
be found which has not some living trophy like this
to shadow forth the virtues which have won for the
CHERRY PECTORAL an imperishable renown. But
its usefulness does not end here. Nay, it accom-
plishes more by prevention than cure. The count-
less colds and coughs which it cures are the seed
which would have ripened into a dreadful harvest
of incurable diseases. Influenza, Croup, Bronchi-
tis, Hoarseness, Pleurisy, Whooping Cough, and
all irritations of the throat and lungs are easily
cured by the CHERRY PECTORAL if taken in sea-
son. Every family should have it by them, and
they will find it an invaluable protection from the
insidious prowler which carries off the parent sheep
from many a flock, the darling lamb from many a
home.
