NOTICE

The Members of the Foreign Missionary Board are respectfully requested to meet in the Bethel, Tremont, Aylesford, on Tuesday, the 30th inst., at 2 o'clock, P.M. C. TUPPER, Secretary.

Aylesford, Nov. 10th, 1858. I will gladly take charge of any donations that may be made toward building a house for Rev. A. R. R. Crawley, and have them forwarded for that object.

The largest revenues of the estates on the borders of the Mediterranean are those derived from the sale of the Orange Flowers. The house of Faguer, perfumer of Paris, pays, it is said, to the proprietors a yearly sum of 30,000 francs for a supply of Orange Blossoms: This enormous consumption is not surprising when it is known that the BALM OF ORANGE FLOWERS gives a delicate perfume to the Breath, thoroughly cleanses the Teeth, eradicates Tan, Pimples, and Freckles, and imparts a rosy bloom to the Complexion, makes a soft and beautiful lather for shaving, removes Dandruff, and gives a fine gloss to the Hair. A bottle costs only 50 cents.

CURE YOUR COUGH!

Gottingen Street, Halifax, Nov. 4, 1866. Mr. R. P. GERRY, Rochester :--- Sir,--I wish to inform you of the benefits I have derived from using your PECTORAL TABLETS. Having for two years been troubled by a bad cough, with great oppression of the chest, arising from cold, and accompanied by severe hoarseness, and seeing the Pectoral Tablets abvertised here by your agents, Messrs. G. E. Morton & Co., I purchased a box at their Medical Warehouse, which relieved me; and before I had used three 25 cent boxes, was quite well, and attribute my speedy cure entirely to your remedy, as all other cough medicine previously tried had failed to relieve me.
