More Testimony from the Clergy.

This certifies that I have used Perry Davis's Vegetable Pain Killer with great success in cases of cholera infantum, common bowel complaint, bronchitis, coughs, colds, &c., and would cheerfully recommend it as a valuable family medicine.

Messrs. P. Davis & Son.—Dear Sirs: Having witnessed the beneficial effects of your Pain Killer in several cases of Dysentery and Cholera Morbus within a few months past, and deeming it an act of benevolence to the suffering, I would most cheerfully recommend its use to such as may be suffering from the aforementioned or similar diseases as a safe and effectual remedy.

This certifies that I have for several years used Davis's Vegetable Pain Killer in my family, in several of these cases for which it is recommended, and find it a very useful family medicine.

PARK'S PRICKLY PLASTERS.

They soothe pain; protect the chest; they extract the coagulated impurities and soreness from the system, and impart strength. They are divided into sections, and yield to the motion of the body. Being porous, all impure excretions pass off, and they cannot become offensive, hence can be worn four times longer than any other plasters, and are cheaper at 25 cents than others at 10.
