Notice to the Public.

Compulsory Prepayment of Postage on Letters passing to and from the United Kingdom and Nova Scotia.

THE Government of Nova Scotia having some time since acquiesced in the proposal made by His Lordship the Postmaster General, to extend to Letters between the United Kingdom and this Province the system of Compulsory Prepayment of Postage, which has been applied with advantage to the Australian and some other Colonies, the Postmaster General has been waiting the concurrence of New Brunswick in this measure to fix a date for its

Such concurrence having now been received, coupled with a notice that it would be brought into operation on the 1st of August next, the Postmaster General has found it necessary for the convenience of the General Post Office to appoint the same day for extending the measure to Nova Scotia.

NOTICE IS HEREBY GIVEN that the system of Compulsory Prepayment of Postage on Letters passing to and from the United Kingdom and this Province will come into operation on the 1st day of August next

To prevent inconvenience to the Public by the detention of their Letters for non-payment of postage, until the new arrangement shall become generally known, Letters addressed to the United Kingdom posted in this Province, insufficiently prepaid, will be forwarded charged with the deficiency of Postage, and a fine of six-pence in addition, until the 1st of November next.

After that period, all Letters dropped into the Letter Box, wholly prepaid, or paid less than a single rate of Postage, will be retained and returned to the writer. Letters on Service addressed to any of the Imperial Public Departments, posted in Nova Scotia, will be

exempted from the regulation requiring prepayment.

The Postmaster General begs to suggest, that, in all cases, where practicable, the Postage on Letters for the United Kingdom be prepaid by stamp.
