The following remedies are offered to the public as the best, most perfect, which medical science can afford.

AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known.

Give them to some patient who has been prostrated with bilious complaint: see his bent-up, torturing form straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health.

See the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him, and he screeches with pain; he too has been soaked through every muscle of his body with liniments and salves; give him these PILLS to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him.

Have you the less serious symptoms of these disorders, they are the easier cured. Jaundice, Constipation, Headache, Stomach, Pain in the Bowels, Flatulency, Loss of Appetite, King's Evil, Neuralgia, Gout, and kindred complaints all arise from the derangements which these PILLS rapidly cure.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind.

Prepared by DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass., and sold by all Druggists every where. MORTON & COGSWELL, HALIFAX.
